American Academy of Pediatrics

DEDICATED TO THE HEALTH OF ALL CHILDREN®

2016 PREP® TheCourse

AN INTENSIVE REVIEW AND UPDATE OF PEDIATRICS

PREP® The Course Is Designed as:

An intensive review and update of pediatrics and a unique component of the American Academy of Pediatrics overall educational program. While the course content is based on the content specifications issued by the American Board of Pediatrics (ABP) for Maintenance of Certification™ (MOC), the course also features case-based sessions, hot topics, and visual diagnosis components related to the latest information on clinical practice.

You Should Attend PREP® The Course If You Are:

- Providing health care for infants, children, and/or adolescents and are interested in a diverse, intensive format to update your knowledge and skills.
- Interested in having your questions answered by experts in group, case-based sessions.
- Seeking exam preparation for the Part 3 component of ABP MOC.
- In need of additional points for the Part 2 component of ABP MOC.

Note: These courses are not intended to meet the requirements of an initial board certification examination.

Schedule and Faculty

Because we are always striving to improve the quality of your educational experience, schedules are subject to change. The AAP may substitute faculty with comparable expertise on rare occasions necessitated by illness or scheduling conflicts. Please visit shop.aap.org/live-activities for schedule, faculty, and session updates.

Please Note

Educational sessions at this activity are for registered attendees only. To maximize the educational experience, we ask that all attendees minimize distractions in educational session rooms.

Here's What to Expect When You Attend PREP® The Course

A variety of educational formats to meet different learning styles:

- Lectures
- Case Sessions: Diagnosis and Management
- Visual Diagnosis
- "Hot Topics"
- Pre/Post-Course Self-Assessment Bonus! ABP MOC Part 2 Eligible

Electronic Course Syllabus

In order to provide high quality images and graphics, and in the spirit of going green, the syllabus for the 2016 PREP® The Course will be available to all attendees online for download in advance of the courses. **If you would like to receive a printed copy of the syllabus, it can be ordered in advance of the course for \$150** and will be available for pick up at the AAP course registration desk (must order by Early Bird deadline for each course.) The price for a syllabus purchased after the Early Bird deadline or on-site at the course will be \$250.

Electrical power for laptop and tablet use will not be available for full time use by each course attendee throughout the educational sessions. A limited number of power outlets will be available for brief recharging of laptops and tablets during the courses.

Earn MOC Part 2 Points!

In addition to CME credits, registrants for these courses can earn 10 points for the Part 2 component of ABP MOC by participating in an online pre- and post-course test.

All approved activities must be completed by the MOC Credit Approval End Date. All deadlines and MOC point values should be confirmed by checking the ABP Activity Catalog within each physician's ABP Portfolio. Consult your ABP portfolio at www.abp.org for details about your specific certification requirements. For questions about how to access this activity, contact MOCPortfolio@aap.org.

Continuing Medical Education Credit

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates each of these live activities for a maximum of 38.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Each of these activities is acceptable for a maximum of 38.5 AAP credits. These credits can be applied toward the AAP CME/CPD* Award available to Fellows and Candidate Members of the AAP.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME. Physician assistants may receive a maximum of 38.5 hours of Category 1 credit for completing this program.

Each of these programs is accredited for 38.5 NAPNAP CE contact hours; pharmacology (Rx), psychopharmacology, and controlled substance contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

Disclosure of Financial Relationships and Resolution of Conflicts of Interest

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of these CME activities does not necessarily reflect the views or policies of the AAP.
