American Academy of Pediatrics

DEDICATED TO THE HEALTH OF ALL CHILDREN®

ACADEMIC  
PEDIATRIC  
ASSOCIATION

**shm**  
Society of Hospital Medicine

Pediatric Hospital Medicine 2016 (PHM 2016) is the premier educational conference for pediatric hospitalists and other clinicians in the care of hospitalized children. The largest meeting of the year for pediatric hospitalists, the conference is co-sponsored by the American Academy of Pediatrics (AAP), the AAP Section on Hospital Medicine, the Academic Pediatric Association (APA) and the Society of Hospital Medicine (SHM).

## GOAL OF PHM 2016

Pediatric Hospitalists provide leadership in the care of pediatric patients throughout the hospital. This includes significant roles in clinical medicine and medical education as well as roles in quality, research, hospital leadership, and business practice. The goal of PHM 2016 is to increase and enhance the participants' knowledge and competence in the areas of clinical medicine, education, health services, practice management, quality improvement, and research. Innovation and growth in practice will be emphasized. The knowledge acquired will help individual hospitalists improve their practice and will also promote the necessary skills required to continue moving the field of hospital medicine forward.

## YOU SHOULD ATTEND PHM 2016 IF YOU ARE A:

- Pediatric Hospitalist
- Pediatric Community Hospitalist
- Pediatric Department Chair
- Pediatric Teaching Program Director
- Director of a General Pediatric Division
- General Academic Pediatrician
- Pediatric Resident
- Pediatric Nurse Practitioner
- Pediatric Physician Assistant
- Physician who participates in the medical care of hospitalized children

## CONTENT

PHM 2016 will provide in-depth review and challenge both the junior and senior participant in various areas including clinical practice, medical education, quality improvement, and professional development. Structured time for networking and meeting with leaders in the field will be provided. A significant amount of time will be spent in both small and large groups.

## SCHEDULE AND FACULTY

Because we are always striving to improve the quality of your educational experience, schedules are subject to change. The AAP may substitute faculty with comparable expertise on rare occasions necessitated by illness or scheduling conflicts. Please visit [www.phmmeeting.org](http://www.phmmeeting.org) or [shop.aap.org/phm2016](http://shop.aap.org/phm2016) for schedule, faculty and session updates.

## PLEASE NOTE

Educational sessions at this activity are for registered attendees only. To maximize the educational experience, we ask that all attendees minimize distractions in educational session rooms.

The needs of Pediatric Hospitalists are broad in scope and the content of PHM 2016 is too! At PHM 2016, you will find sessions divided among seven tracks:

- Clinical Skills
- Community Hospital Medicine
- Education/Scholarship
- Emerging Trends in Pediatric Hospital Medicine
- Innovations in Pediatric Hospital Medicine
- Professional Development
- Quality Improvement/Patient Safety

Tracks have been designed to support those new to the field, as well as more advanced learners. Eight sessions will be offered simultaneously in each Concurrent Workshop Session time block, allowing attendees to select from a wide variety of educational options.

The Concurrent Workshop Sessions are provided in two different formats:

#### **MINI-PLENARY:**

These sessions are 1 hour 15 minutes in length. As they will be presented in the largest facility meeting space available, they are designed to provide access to the greatest number of attendees interested in the topic. At least one session from each identified educational track will appear in the Mini-Plenary format.

#### **WORKSHOPS:**

These sessions are 1 hour 15 minutes in length. They will be presented in a more traditional small-group setting allowing attendees greater access to interact with the faculty and colleagues.

#### **KNOWLEDGE CAFÉ:**

Back by popular demand! Are you interested in learning more about all the aspects of being a hospitalist like research, mentoring, quality and education? Have you ever wondered about how to get more involved but not sure how to do so? Then this special event is for you! Designed for both the community and academic hospitalist 0-5 years out of training, you can meet other PHM hospitalists in a fast paced and interactive café event. You will meet with leaders in their respective niche, build your network, and be able to get answers to your questions about how to develop a career in your area of interest. Be sure to bring your business card!

## REGISTRATION

Using your Visa, MasterCard, American Express, or Discover, you can register online at [www.phmmeeting.org](http://www.phmmeeting.org), [shop.aap.org/phm2016](http://shop.aap.org/phm2016), or call toll-free 866/843-2271. Outside the United States and Canada, call 847/434-4000, option 3.

Please have your credit card ready prior to calling. If your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly.

Educational sessions as well as food and beverages provided during the conference are intended for conference attendees only. Lodging and meals, other than specified, are not included in the registration fee.

On-site registrants are welcome if space is available. Availability of course materials cannot be guaranteed for these registrants, however, until after the conference.

**Cancellations:** Course cancellations must be received in writing by July 14, 2016 to receive a refund. An administrative charge of \$50 will be deducted.

**Child Care:** The hotel does not provide childcare services nor a kids club.

## Chicago

Affixed by stunning Lake Michigan and decorated with inspiring architecture, Chicago is more than just a big city. Besides its striking downtown area, which includes some of the tallest buildings in the world, Chicago has a distinctive coastline, hundreds of vibrant parks and 77 unique neighborhoods. It's this truly distinctive mix of incredible attractions and cultural allure that make Chicago one of the friendliest, most livable cities in America. Situated squarely in the center of the country and equipped with two major, international airports, getting to Chicago is easy.

Chicago's developed a reputation as a must-visit destination for diners. In fact, Chicago is one of only three cities in the country to have its culinary chops rated by the prestigious Michelin Guide. With incredible shopping on The Magnificent Mile, world premiere performances in its famed Theater District and one of the country's most active nightlife scenes, this city is always buzzing. Chicago also vaunts more than 60 museums, five regional Tony Award-winning theaters and, no matter the season, there's always a professional sports team to cheer to victory.

Millennium Park, deep dish pizza and Wrigley Field are all compelling enough reasons to visit Chicago, but the city's most endearing quality is its people. Chicago's neighborhoods represent more than 100 countries and it's through this diversity and profound city culture that we are able to develop the country's best restaurants, theaters and museums. Enjoy your visit to Chicago.

Visit [www.ChooseChicago.com](http://www.ChooseChicago.com) for more information on what to see and do in Chicago.

## PHM 2016 Pre-Course Educational Opportunity

The Society for Pediatric Sedation Sedation Provider Course® is designed for healthcare providers (physicians, nurses and advanced practice nurses). This one-day course has been designed to meet the needs of a spectrum of novice and experienced sedation providers seeking both cognitive (didactic) and psychomotor (simulation) based education and training. The course focuses on patient selection and risk assessment (safety), general approach to procedural sedation, sedation monitoring, sedative drug pharmacology and the recognition and management of the more common sedation related adverse events. This evidence-based course simulates the high risk, low frequency serious adverse events that may lead to cardiac arrest and death if not appropriately managed. To afford each participant maximum hands-on time, the course is limited to 24 participants or less.

For detailed information, please visit <http://www.pedsedation.org/education/sedprovidercourse/>

## DISCLOSURE OF FINANCIAL RELATIONSHIPS AND RESOLUTION OF CONFLICTS OF INTEREST

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

*The content of this CME activity does not necessarily reflect the views or policies of the AAP.*

### The American Academy of Pediatrics (AAP)

The AAP is an organization of 64,000 primary care pediatricians, pediatric medical subspecialists, and pediatric surgical subspecialists committed to the attainment of optimal physical, mental, and social health and well-being for all infants, children, adolescents, and young adults.

### The AAP Section on Hospital Medicine (SOHM)

The AAP SOHM serves as a forum for AAP members who have a special interest in and commitment to Pediatric Hospital Medicine. Membership in SOHM is open to pediatric hospitalists, primary care pediatricians, subspecialists, residents, nurse practitioners, and child life specialists who have an active interest and involvement in inpatient pediatric care. SOHM focuses on relevant clinical issues as well as systems, logistics, and organization of care. For more information on the SOHM, visit [www.aaphospmed.org](http://www.aaphospmed.org).

### The Academic Pediatric Association (APA)

The APA is dedicated to improving the health and well-being of all children and adolescents by promoting research, advancing a scholarly approach to education, developing innovations in health care delivery, advocating for an equitable child health agenda, and fostering leadership and career development of child health professionals. For more information on the APA, visit [www.academicped.org](http://www.academicped.org).

### The Society of Hospital Medicine (SHM)

Representing the fastest growing specialty in modern healthcare, the SHM is the leading medical society for more than 40,000 hospitalists and their patients. SHM is dedicated to promoting the highest quality care for all hospitalized patients and overall excellence in the practice of hospital medicine through quality improvement, education,

advocacy and research. Over the past decade, studies have shown that hospitalists can contribute to decreased patient lengths of stay, reductions in hospital costs and readmission rates, and increased patient satisfaction. For more information on the SHM, visit [www.hospitalmedicine.org](http://www.hospitalmedicine.org).

### Conference APP

An application will be available for you to use on your mobile device! The **PHM2016 Event Meeting App** will allow you to:

- Access session material before, during and after PHM 2016
- Download meeting presentations
- Access locations within the PHM 2016 Connect Meeting App

The PHM2016 Event Meeting App will be available in the iTunes App Store and Google play. Please check the conference web site at [www.phmmeeting.org](http://www.phmmeeting.org) or [shop.aap.org/phm2016](http://shop.aap.org/phm2016) for information on when the app will become available.
