Celebration of Pediatric Pulmonology and Sleep

February 24–26, 2017
Loews Royal Pacific Resort
Orlando, Florida

Earn a Maximum of 18.00 AMA PRA Category 1 Credits™

Save $150!
Register by January 24, 2017 for Early Bird Rates!
You should attend this course if you are:

- A Pediatric Pulmonologist
- A Pediatric Pulmonology Fellow-in-Training
- A Sleep Medicine Physician
- An Adult Pulmonologist
- A Family Medicine Physician
- A Critical Care Physician
- A Pediatrician
- An Otolaryngologist
- An Allergist
- A Respiratory Therapist
- A Physician Assistant
- A Pediatric Nurse Practitioner
- An Allied Health Professional

Why Should You Attend The Celebration of Pediatric Pulmonology and Sleep 2017?

You should attend this state-of-the-art course celebrating the latest research findings and hot topics in pediatric pulmonology, sleep medicine, and radiology! General sessions will feature content on asthma, sleep medicine topics, lung disease, radiology, bronchiectasis treatment and BRUE/ALTE/IA. Highly interactive small group workshops will cover the latest on PSG interpretation, radiology, ventilators in the home, and pulmonary function tests. Back by popular demand, the Orlando Chest Rounds will allow opportunities for small group case discussions on specific and unusual cases.

During the course, the Edwin L. Kendig, Jr Award will be presented to a renowned pediatric pulmonologist who has contributed significantly to the field of pediatric pulmonology.

Registration

Using your Visa, MasterCard, American Express or Discover, you can register online at: www.aap.org/Celebration2017 or call toll-free at 866/843-2271. Outside the United States and Canada, call 847.434.4000, option 3.

Continuing Medical Education Credit

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 18.00 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 18.00 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 18.00 hours of Category 1 credit for completing this program.

This program is accredited for 18.00 NAPNAP CE contact hours of which 0 contain pharmacology (Rx), 0 related to psychopharmacology, 0 related to controlled substances, content per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

Disclosure of Financial Relationships and Resolution of Conflicts of Interest

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual’s confirmation of service to an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclosed to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve “off-label” use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of this CME activity does not necessarily reflect the views or policies of the AAP.
