FACULTY, SCHEDULE CHANGES, AND TIMELY UPDATES
Faculty and schedule information included in this brochure is accurate as of September 2019. Faculty and schedules are subject to change to accommodate emergent situations. Visit shop.aap.org/live-activities for faculty and schedule changes as well as other important updates throughout the year.

IMPORTANT INFORMATION
Lodging and meals, other than specified, are not included in the registration fee. Educational sessions, food, and beverages provided during the course are intended for registered attendees only.

To ensure an optimal learning environment for all, participants are requested to eliminate any distractions and noises during educational sessions that may disturb other registrants.

To accommodate as many course participants as possible, registrants will be permitted to reserve no more than two rooms in the AAP’s hotel room block. If rooms remain available in the AAP room block three weeks prior to the start of the course, registrants may reserve additional rooms as needed. Any reservations not affiliated with a registered AAP course attendee or exceeding the two-room limit per attendee may be removed from the AAP room block, and the room rate will revert to the hotel’s published rate.

Registration cancellations for each course must be received in writing (at registration@aap.org) at least two weeks prior to the course’s start date to receive a refund. An administrative fee of $50 will be deducted.

SPECIAL NEEDS
The AAP is sensitive to the special needs of its attendees. Please indicate any special needs on your registration form (e.g. breastfeeding accommodations, dietary restrictions, physical disabilities).
CONTINUING MEDICAL EDUCATION CREDIT

Each of these credit statements applies to individual Practical Pediatrics CME courses.

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 17.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 17.25 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

PAs may claim a maximum of 17.25 Category 1 credits for completing this activity. NCCPA accepts AMA PRA Category 1 Credit™ from organizations accredited by ACCME or a recognized state medical society.

This course is approved for 17.00 AAFP Prescribed credits.

This course is approved for 17.25 NAPNAP CE contact hours; pharmacology (Rx), psychopharmacology, and controlled substance contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

See individual course listings on shop.aap.org/live-activities for course-specific NAPNAP credit information.

EARN MOC PART 2 POINTS

The pre- and post-course self-assessments are a bonus for registered course attendees to enhance their learning experience at these courses and provide ABP MOC Part 2 points in addition to the CME credit earned by attending the course.

This activity is approved for 17 MOC Part 2 points by the American Board of Pediatrics through the AAP MOC Portfolio Program. All points will be awarded (or must be claimed) based on the MOC activity completion date, which is the date MOC requirements were met. All deadlines and MOC point values should be confirmed by checking the ABP Activity Catalog within each physician’s ABP Portfolio. Consult your ABP portfolio at www.abp.org for details about your specific certification requirements. For questions about how to access this activity, contact MOCPortfolio@aap.org.

DISCLOSURE OF FINANCIAL RELATIONSHIPS AND RESOLUTION OF CONFLICTS OF INTEREST

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual’s confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve “off-label” use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of these CME activities does not necessarily reflect the views or policies of the AAP.
PRACTICAL PEDIATRICS CME COURSES

Designed for pediatricians, family physicians, and advanced care professionals caring for children, Practical Pediatrics CME Courses feature nationally prominent faculty presenting topics that highlight current issues in pediatrics. Each course combines lectures, interactive seminars, and question-and-answer sessions to allow you the opportunity to interact directly with faculty in solving the problems you encounter in everyday practice.

OBJECTIVES

By attending a Practical Pediatrics CME Course, you will:

- Update your knowledge of clinical issues by reviewing hot topics and recent practical advances for your office.
- Increase your ability to diagnose and manage patients in your practice by analyzing and discussing cases with the faculty and your peers.

WHY YOU SHOULD ATTEND A PRACTICAL PEDIATRICS CME COURSE

- Weekend courses with half-day sessions combine CPD with relaxation and recreation at great destinations.
- Top-quality education and an opportunity to talk directly with expert faculty provide current and practical pediatric information to take back to your office and use right away.
- Interactive, case-based sessions offer expert guidance about situations you encounter in practice.
- Hot-topic discussions cover the latest in pediatric medicine.
- Earn MOC Part 2 Points.

Registrants who attend an entire Practical Pediatrics CME Course may earn 17 MOC Part 2 Points by successfully completing online pre- and post-course self-assessment tests. Instructions will be provided to registrants by e-mail approximately two weeks before each course begins. If you have not received email instructions from the AAP one week prior to the course, please contact the AAP.

CONCURRENT SEMINAR SELECTION

You may attend one concurrent seminar each day in the subspecialty of your choice. To allow more informal interaction with the faculty, attendance in each seminar is limited and is offered on a first-come, first-served basis. Confirmation of your concurrent seminar registrations will be included in your onsite registration packet. See a complete list of concurrent seminars for each course at shop.aap.org/live-activities.

ELECTRONIC COURSE SYLLABUS

The syllabus for all 2020 Practical Pediatrics CME Courses will be available online to all attendees for download in advance of the course. Printed copies of the syllabus can be ordered for $50 by the course’s early bird deadline and will be available for pickup at the AAP course registration desk. A limited number of syllabi will be available for purchase onsite for $75, but availability cannot be guaranteed.

Electrical power for laptop and tablet use will not be available for full-time use by each course attendee throughout the educational sessions. A limited number of power outlets will be available for brief recharging of laptops and tablets during the courses.

REGISTRATION

Using your Visa, MasterCard, American Express, or Discover card, you can register online at shop.aap.org/live-activities or call toll-free 866/843-2271. Outside the United States and Canada, call 630/626-6000, option 3. Please have your credit card and concurrent session selections ready prior to calling. If your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly.

Onsite registrants are welcome if space is available. However, availability of course materials cannot be guaranteed for these registrants until after the course.

Registration cancellations for each course must be received in writing (at registration@aap.org) at least two weeks prior to the course’s start date to receive a refund. An administrative fee of $50 will be deducted.

What Our Practical Pediatrics CME Course Attendees Are Saying:

“What a fantastic group of speakers! I don’t know that I’ve ever attended a conference where I’ve had such a stellar group of physicians who were knowledgeable, kept my interest, showed passion for their topics, profession, and patients, and also took the time to answer questions in the most gracious manner. Knowledgeable, approachable, passionate – they had it all, and my ears were perked all day. You really picked the stars in the crowd and I’m so inspired by these individuals and excited to get back to daily practice with all of the information and updates provided. Thank you again.”

— PPC Naples Attendee

“I liked the wide variety of topics offered, and the speakers were so personable and kept my attention. An enjoyable conference with entertainment available during off time.”

— PPC New Orleans Attendee

“This course updated my knowledge on several relevant topics, and I liked that the lectures covered recent practical advances and management of everyday problems.”

— PPC Hilton Head Island Attendee
