AAP TOBACCO CONSORTIUM BACKGROUND

The AAP Tobacco Consortium consists of junior and senior researchers committed to addressing tobacco as a child and adolescent health issue. The Consortium explores cutting-edge research and literature synthesis using a participatory agenda-setting process among its members. The Consortium agenda includes youth tobacco prevention and control, children's exposure to secondhand smoke, social policy, and international issues. Members are nominated for inclusion in the Consortium and approved by AAP Executive Committee.

AAP TOBACCO CONSORTIUM MEMBERSHIP

AAP Tobacco Consortium Chair

Karen M. Wilson, MD, MPH, FAAP, UR Medicine Golisano Children's Hospital, University of Rochester, 2017-Present

AAP Tobacco Consortium Past Chairs

Jonathan D. Klein, MD, MPH, FAAP, 2001-2005
Jonathan P. Winickoff, MD, MPH, FAAP, 2005-2010
Susanne Tanski, MD, MPH, FAAP, 2010-2016

AAP Tobacco Consortium Staff

Julie Gorzkowski, MSW, LSW, Director, Adolescent Health Promotion
Kristen Kaseeska, MPH, Program Manager, Tobacco and Adolescent Health Initiatives
Paula Martin, Specialist, Adolescent Health Promotion

AAP Tobacco Consortium Current Members and Terms

1. Alicia Allen, PhD, MPH, University of Arizona, 2017-Present
2. Rachel Boykan, MD, FAAP, Stony Brook Children's Hospital, 2014-Present
3. Deepa Camenga, MD, MHS, FAAP, Yale University, 2021-Present
4. Christie Gloria Cherian, MD, FAAP, Nemours Children's Hospital, 2021-Present
5. Kar-Hai Chu, PhD, University of Pittsburgh, 2021-Present
6. Hongying (Daisy)Dai, PhD, University of Nebraska Medical Center, 2021-Present
7. Mark Gottlieb, JD, Public Health Advocacy Institute, Northeastern University School of Law, 2005 - Present
8. Valerie Gribben, MD, University of California San Francisco, 2021-Present
9. Judith Groner, MD, FAAP, Nationwide and Ohio State University College of Medicine, 2012-Present
10. Bonnie Halpern-Felsher, PhD, Stanford University, 2021-Present
11. Daniel Hinds, MD, University of Colorado, Anshutz Medical Campus, 2021-Present
13. Jonathan D. Klein, MD, MPH, FAAP, University of Illinois at Chicago, 2001- Present

AAP Tobacco Consortium Current Members and Terms Cont.
American Academy of Pediatrics Tobacco Consortium
Curriculum Vitae

14. Benjamin Kopp, MD, FAAP, Nationwide and Ohio State University College of Medicine, 2017-Present
15. Melinda Mahabee-Gittens, MD, MS, FAAP, Cincinnati Children’s Hospital Medical Center, 2013-Present
16. Sharon A. McGath-Morrow, MD, MBA, FAAP, Children's Hospital of Philadelphia, 2001-Present
17. Robert McMillen, PhD, Mississippi State University, 2002-Present
18. Ashley L. Merianos, PhD, CHES, TTS, FAAHB, University of Cincinnati, 2017-Present
19. Myra Muramoto, MD, MPH, University of Arizona, 2001-Present
20. Jennifer O'Loughlin, PhD, FCAHS, CRC, University of Montreal, 2010-Present
21. Michael Parks, PhD, University of Minnesota, 2021-Present
22. Lori Pbert, PhD, UMass Chan Medical School, 2001-Present
23. Judith Prochaska, PhD, MPH, Stanford University, 2021-Present
24. Ramzi Salloum, PhD, University of Florida, 2017-Present
25. Elizabeth Schwartz, MD, PhD, Icahn School of Medicine at Mount Sinai, 2021-Present
26. Marie-Pierre Sylvestre, PhD, Université de Montréal, 2021-Present
27. Susanne Tanski, MD, MPH, FAAP, Geisel School of Medicine at Dartmouth, 2003-Present
28. Andrea C. Villanti, PhD, MPH, CHES, Rutgers University, 2014-Present
29. Susan Walley, MD, FAAP, George Washington School of Medicine and Health Sciences, 2014-Present
30. Robert J. Wellman, PhD, CAS, UMass Chan Medical School, 2021-Present
31. Karen M. Wilson, MD, MPH, FAAP, University of Rochester School of Medicine, 2009-Present
32. Jonathan P. Winickoff, MD, MPH, FAAP, Harvard Medical School, 2001-Present

Past AAP Tobacco Consortium Members and Terms

2. Sophie J. Balk, MD, Albert Einstein College of Medicine, 2004-2014
3. Carla J. Berg, PhD, Emory University Rollins School of Public Health, 2010-2020
4. Dana Best, MD, MPH, Children’s National Medical Center, 2003-2013
6. Arthur Cosby, PhD, Mississippi State University, 2001-2002
7. Susan Curry, PhD, University of Illinois at Chicago, 2001-2008
8. Joseph DiFranza, MD, University of Massachusetts Medical School, 2001-2020
9. Ruth A. Etzel, MD, PhD, World Health Organization, 2010-2014
10. Harold Farber, MD, MSPH, Baylor College of Medicine, 2010-2014
11. C. Edgar Fryer, PhD, New York University, 2006-2009
13. Kimberly Horn, EdD, MSW, Virginia Tech University, 2010-2020
14. Harry A. Lando, PhD, University of Minnesota, 2001-2017
15. T. Allen Merritt, MD, MHA, Loma Linda University Children's Hospital, 2010-2012
16. Robin Mermelstein, PhD, University of Illinois at Chicago, 2001-2012
17. Eric T. Moolchan, MD, Teen Tobacco Addiction Treatment Research Center, 2001-2012
18. Ray Niaura, PhD, New York University, 2012-2020
19. Deborah J. Ossip-Klein, PhD, University of Rochester, 2001-2012
20. Christina Pabelick, MD, FAAP, Mayo Clinic, 2010-2014
21. John P. Pierce, PhD, University of California at San Diego, 2001-2008

Date of Last Revision: 7/1/2022
American Academy of Pediatrics Tobacco Consortium
Curriculum Vitae

22. Alexander V. Prokhorov, MD, PhD, University of Texas MD Anderson Cancer Center, 2001-2020
23. Janet Thomas, PhD, LP, University of Minnesota Medical School, 2010-2014
25. James Sargent, MD, Dartmouth Medical School, 2001-2017
26. Vera Fan Tait, MD, FAAP, American Academy of Pediatrics, 2017-2020
27. Richard (Mort) Wasserman, MD, University of Vermont, 2000-2009

AAP TOBACCO CONSORTIUM MEETINGS

Chicago IL (January 2001)
Rochester NY (June 2001)
Washington, DC (November 2001)
Chicago, IL (April 2002)
Washington, DC (June 2003)

Virtual Meeting (July 2022)

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS
A. Allen:

**Effect of Helpers Program On-line Training on Smoking Relapse and Social Networks (R01CA248658)**
- Funding Agency: NIH/NCI
- Period of Support: March 2021 to February 2026
- Role: Co-Investigator

**Tobacco Cessation Brief Intervention Training for Behavioral Health**
- Funding Agency: Arizona Department of Health Services
- Period of Support: June 2020 to November 2025
- Role: Co-Investigator

**Modifying progesterone and estradiol levels to prevent postpartum cigarette smoking relapse and reduce secondhand smoke exposure in infants and children (R01HD100418)**
- Funding Agency: NIH/NICHD
- Period of Support: September 2020 to June 2025
- Role: Principal Investigator

**Testing the Feasibility of a Novel Smoking Cessation Intervention by Timing Quit Dates to Menstrual Phase in a Quitline Setting**
- Funding Agency: NIH/NIDA
- Period of Support: May 2019 to August 2019
- Role: Multiple Principal Investigator

**2019 NIDA Summer Research Program (Supplement to R21DA046604)**
- Funding Agency: NIH/NIDA
- Period of Support: June 2018 to May 2020
- Role: Principal Investigator

**Hormonal Contraceptives and Menstrual Cycle Variability in Smoking-Related Symptoms**
- Funding Agency: American Cancer Society – Institutional Research Grant
- Period of Support: January 2018 to December 2018
- Role: Principal Investigator

**Tobacco Cessation Brief Intervention Training for Behavioral Health**
- Funding Agency: Arizona Biomedical Research Commission
- Period of Support: March 2017 to February 2020
- Role: Co-Investigator

---

**RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.**

**Sex and Sex Hormones in the Maintenance of Nicotine Addiction**
- Funding Agency: NIH Loan Repayment Program
- Period of Support: September 2014 to September 2017
- Role: Principal Investigator

---

Date of Last Revision: 7/1/2022
American Academy of Pediatrics Tobacco Consortium
Curriculum Vitae

Effect of Smoking on Stress-Induced Allopregnanolone Response in Women by Menstrual Phase
Funding Agency: Masonic Cancer Center Women’s Health Scholar
Period of Support: January 2014 to January 2017
Role: Principal Investigator

R. Boykan:

Nicotine Exposure from ENDS and Tobacco Products Among Youth
Funding Agency: Department of Pediatrics 2016 Intramural Grant Recipient
Period of Support: October 2016 - Present
Role: Principal Investigator

C. Cherian:

Association of Vaping and Respiratory Health Effects Among Youth
Principle investigator in association with Yale Tobacco Center of Regulatory Science (TCORS)
Yale School of Medicine - New Haven, CT
Period of Support: 2019-2021
Role: Principal Investigator

K. Chu

Leveraging Twitter to monitor Nicotine and Tobacco-related Cancer Communication
Funding Agency: NIH/NCI
Period of Support: 2020-2022
Role: Site Principal Investigator

Identifying Student Opinion Leaders to Lead E-cigarette Interventions
Funding Agency: NIH/NCI
Period of Support: 2019-2021
Role: Pilot Principal Investigator

Leveraging mobile applications to maximize tobacco cessation
Funding Agency: NIH/NCI
Period of Support: 2018-2022
Role: Principal Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

V. Gribben

California Teen Vaping Patterns During and After COVID-19 Pandemic Shelter-in-Place Orders
Funding Agency: Tobacco-Related Disease Research Program
Period of Support: 2020-2022

Date of Last Revision: 7/1/2022
Role: Principal Investigator

Social Media Intervention to Stop Nicotine and Cannabis Vaping Among Adolescents
Funding Agency: Tobacco-Related Disease Research Program
Period of Support: 2020-2023
Role: Study Physician

J. Groner:

Gene expression profiles in high-risk healthy children with secondhand smoke exposure
Funding Agency: NCH Intramural Research Grant Program
Period of Support: October 2016 - Present
Role: Co Principal Investigator

Secondhand smoke and vascular endothelial stress in toddlers
Funding Agency: AAP Julius B. Richmond Center of Excellence
Period of Support: July 2011-June 2015
Role: Co Principal Investigator

Second hand smoke exposure and cardiovascular dysfunction in children
Funding Agency: Flight Attendant Medical Research Institute
Period of Support: July 2006 – June 2010
Role: Co Principal Investigator

The impact of secondhand smoke exposure and obesity on endothelial function of youth and adolescents – a pilot study
Funding Agency: The Research Institute at Nationwide Children's Hospital
Role: Co Principal Investigator

Vascular toxicities of environmental tobacco smoke particulates in children
Funding Agency: National Institute of Environmental Health Sciences. R21
Period of Support: July 2009- July 2011
Role: Co Principal Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

B. Halpern-Felsher

Evaluation of the "Be Vape Free" Curriculum of the Tobacco Prevention Toolkit
Funding Agency: National Institutes of Health (NCI)
Period of Support: September 2021 – August 2026
Role: Principal Investigator

Date of Last Revision: 7/1/2022
Integrated Health, Behavioral and Economic Research on Current and Emerging Tobacco Products
Funding Agency: National Institutes of Health / University of California, San Francisco
Period of Support: September 2018 – August 2023
Role: Principal Investigator

Evaluation of the Tobacco Prevention Toolkit
Funding Agency: University of the California Office of the President
Period of Support: April 2018 – March 2022
Role: Principal Investigator

UC Merced Cannabis and Nicotine Policy Center
Funding Agency: State of California / University of California, Merced
Period of Support: August 2018 – July 2022
Role: Principal Investigator

Training and Technical Assistance in the Use of the Stanford Tobacco Prevention Toolkit
Funding Agency: California Department of Education
Period of Support: December 2020 – June 2022
Role: Principal Investigator

Evaluation of the “Be Vape Free” Curriculum of the Tobacco Prevention Toolkit
Funding Agency: National Institutes of Health
Period of Support: September 2021 – August 2026
Role: Principal Investigator

Youth perceptions and counter-messages to the e-cigarette retail environment
Funding Agency: National Institutes of Health / Washington University in St. Louis
Period of Support: February 2020 - August 2021
Role: Principal Investigator

J. Klein:

Eliminating Children’s Exposure to Tobacco
Funding Agency: American Legacy Foundation
Role: Principal Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

Strengthening pediatricians' capacity for global tobacco control among children and families
Funding Agency: Centers for Disease Control and Prevention
Period of Support: September 2016 – September 2017
Role: Principal Investigator

Changing Pediatric Office Systems to Address Parental Tobacco Use
Funding Agency: National Institutes of Health - National Cancer Institute
Period of Support: August 2012 – June 2017
Role: Co Principal Investigator

Technical Assistance for Effective Tobacco Cessation Policies
Funding Agency: Centers for Disease Control and Prevention (American Lung Association Subcontract)
Period of Support: September 2013 – September 2016
Role: Principal Investigator

Adolescent Smoking Cessation in Pediatric Primary Care
Funding Agency: National Cancer Institute
Period of Support: August 2006 – June 2010
Role: Principal Investigator

Brief Cessation Counseling in Pediatric Settings to Reduce Environmental Tobacco Smoke Exposure of Young Children
Funding Agency: Robert Wood Johnson Foundation
Period of Support: September 2004 – August 2007
Role: Principal Investigator

Smoking Cessation in Pediatric Practice: Phase
Funding Agency: Department for Health and Human Services Agency for Healthcare Research and Quality
Period of Support: August 2003– June 2005
Role: Principal Investigator

Pediatrician’s Tobacco Cessation Attitudes and Practice
Funding Agency: Department for Health and Human Services Agency for Healthcare Research and Quality
Period of Support: August 2003– June 2005
Role: Co Principal Investigator

Linking public health and clinical adolescent smoking cessation resource
Funding Agency: University of Rochester Project Believe
Period of Support: December 2001 – December 2004
Role: Principal Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

B. Kopp:

Impact of secondhand vape exposure upon CFTR and infection
Funding Agency: Cystic Fibrosis Foundation
Period of Support: June 2021-May 2022
Role: Principal Investigator

Secondhand Smoke Exposure Influences on Growth, Lung Function, & Inflammation in Young Children w/ CF
Funding Agency: AAP Richmond Center
Period of Support: January 2015 – June 2016
Role: Principal Investigator

The effects of secondhand smoke exposure on the pancreas in CF carrier infants.
  Funding Agency: ChiRhoClin
  Period of Support: January 2016 – December 2017
  Role: Faculty Mentor

Linking public health and clinical adolescent smoking cessation resource
  Funding Agency: ChiRhoClin
  Period of Support: January 2016 – December 2017
  Role: Faculty Mentor

M. Mahabee Gittens:

Child Tobacco Smoke Exposure and Mental Health and Neurodevelopmental Conditions
  Funding Agency: UC College of Education, Criminal Justice & Human Services
  Period of Support: January 2020-June 2020
  Role: Principal Investigator

An Intervention to Reduce Secondhand Smoke Exposure among Pediatric Emergency Patients
  Funding Agency: NIH/National Institute of Child Health and Development R01HD083354
  Period of Support: August 2015 – June 2020
  Role: Principal Investigator

Pediatric Emergency Department Decision Support System to Reduce Secondhand Smoke
  Funding Agency: NIH/National Cancer Institute (NCI) R21CA184337
  Period of Support: December 2014 – November 2017
  Role: Principal Investigator

Pediatric Emergency Department Decision Support System to Reduce Secondhand Smoke
  Funding Agency: NIH/National Cancer Institute (NCI) R21CA184337-01A1S1
  Role: Principal Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

S. McGrath Morrow:

Secondhand Tobacco smoke and the pediatric microbiome
  Funding Agency: American Academy of Pediatrics Julius B. Richmond Center
  Period of Support: June 2016 – June 2020
  Role: Co Principal Investigator

The Respiratory Effects of E-cigarettes on Neonatal Mice
  Funding Agency: American Academy of Pediatrics Julius B. Richmond Center
  Period of Support: July 2014 – June 2016
  Role: Principal Investigator
American Academy of Pediatrics Tobacco Consortium
Curriculum Vitae

R. McMillen:

Assessment of Biomarkers in Children to Help Parents Quit Tobacco
  Funding Agency: National Cancer Institute
  Period of Support: September 2020-September 2025
  Role: Co-Investigator

Adoption of Smoke-free Laws and Voluntary Policies in Rural Communities in Southern States
  Funding Agency: National Cancer Institute
  Period of Support: July 2018-July 2022
  Role: Principal Investigator

Children Core Project
  Funding Agency: American Academy of Pediatrics Julius B. Richmond Center
  Period of Support: July 2016-June 2017
  Role: Principal Investigator

Surveillance and Evaluation Services for the Mississippi Tobacco Control Program
  Funding Agency: Mississippi State Department of Health
  Period of Support: July 2016-June 2017
  Role: Principal Investigator

Smokefree Laws and Gaming
  Funding Agency: American Cancer Society Cancer Action Network
  Role: Principal Investigator

American Academy of Pediatrics, Julius B. Richmond Center of Excellence for Children Data Sets Project
  Funding Agency: American Academy of Pediatrics Julius B. Richmond Center
  Period of Support: July 2015-June 2016
  Role: Principal Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

Eliminating Children’s Exposure to Tobacco and Tobacco Smoke Through Policy and Practice Research
  Funding Agency: National Institutes of Health, National Institute on Drug Abuse
  Role: Principal Investigator

Addressing Tobacco
  Funding Agency: My Brother’s Keeper
  Period of Support: November 2012 – September 2013
  Role: Principal Investigator

Children Best Practices Project
  Funding Agency: American Academy of Pediatrics Julius B. Richmond Center
American Academy of Pediatrics Tobacco Consortium
Curriculum Vitae

Period of Support: July 2010- June 2011
Role: Principal Investigator

Assessment of Proposed Revisions to the Youth Tobacco Survey: Impact on Measures of Youth Tobacco Use
Funding Agency: Centers for Disease Control and Prevention
Period of Support: September 2007-February 2009
Role: Principal Investigator

The 2006 Youth Tobacco Survey
Funding Agency: Mississippi Department of Health
Role: Principal Investigator

Public support for smoke free legislation in Mississippi and the expected economic and health impacts of smoke free legislation
Funding Agency: The Bower Foundation
Period of Support: July 2005-June 2006
Role: Principal Investigator

The 2006 Mississippi University Tobacco Survey
Funding Agency: The Partnership for a Healthy Mississippi
Period of Support: July 2005-June 2006
Role: Principal Investigator

The 2004 U.S. Social Climate Survey of Tobacco Control
Funding Agency: American Academy of Pediatrics Julius B. Richmond Center
Period of Support: July 2004-May 2005
Role: Principal Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

The 2003 Louisiana Social Climate Survey of Tobacco Control
Funding Agency: The Louisiana Public Health Institute
Period of Support: November 2003-March 2004
Role: Principal Investigator

A. Merianos

Distinguishing Exposure to Secondhand and Thirdhand Tobacco Smoke and Electronic Cigarettes among U.S. Children based on Multiple Biomarker Profiles
Funding Agency: NIH/National Institute of Environmental Health Sciences (NIEHS)
Period of Support: September 2020-August 2022
Role: Principal Investigator

Prevalence and Clinical Correlates of Thirdhand Smoke Exposure in a Pediatric Patient Population

Date of Last Revision: 7/1/2022
Funding Agency: NIH/National Institute of Environmental Health Sciences (NIEHS)
Period of Support: August 2019–July 2024
Role: Co-Investigator

Contribution of Thirdhand Smoke to Overall Tobacco Smoke Exposure in Pediatric Patients
Funding Agency: NIH/National Institute of Environmental Health Sciences (NIEHS)
Period of Support: January 2018–December 2018
Role: Co-Investigator

Reducing Secondhand Smoke Exposure Among Pediatric Patients in the Emergency Department Setting
Funding Agency: NIH/National Institute on Drug Abuse K01DA044313
Period of Support: August 2017 – July 2022
Role: Principal Investigator

The Effect Friend and Family Factors have on Electronic Cigarette use among Hispanic Adolescents, College of Education, Criminal Justice, and Human Services
Funding Agency: University of Cincinnati
Period of Support: January 2017 – August 2017
Role: Co Principal Investigator

M. Muramoto:

Effect of Helpers Program On-line Training on Smoking Relapse and Social Networks
Funding Agency: HHS/National Cancer Institute 1R21CA184361-01A1
Period of Support: April 2015 – March 2018
Role: Principal Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

Evaluating Tobacco Control Best Practices in Southwest Hispanic and Native American Populations.
Funding Agency: Center for Disease Control Foundation
Period of Support: July 2014 – June 2016
Role: Principal Investigator

Online Tobacco Cessation Training & Competency Assessment for CAM
Funding Agency: HHS/National Cancer Institute 1R21CA175450-0
Period of Support: July 2014 – June 2016
Role: Principal Investigator

Parents Awareness Reducing Exposure to Nicotine and Tobacco (PARENT)
Funding Agency: HHS/National Cancer Institute
Period of Support: April 2013 – March 2015
Role: Principal Investigator

Building Capacity of Tobacco Cessation in India & Indonesia
Funding Agency: HHS/Fogarty International Center R01 TW00794-1
Period of Support: August 2007 – July 2012
Role: Principal Investigator

_Supplement for Hispanic Youth, Bupropion Treatment for Youth Smoking Cessation_
Funding Agency: National Cancer Institute 5R01CA77081
Period of Support: August 2002 – August 2008
Role: Principal Investigator

Community-based Training Models for Tobacco Cessation
Funding Agency: National Cancer Institute R01CA093957
Period of Support: September 2002 – August 2008
Role: Principal Investigator

University of Arizona Cessation Research and Training in India and Indonesia
Funding Agency: Fogarty International Center R01 TW05969-01
Period of Support: July 2002 – June 2007
Role: Principal Investigator

University of Arizona: A Model DOD Systems Approach for Tobacco Cessation
Funding Agency: U.S. Department of Defense
Role: Co Principal Investigator

**RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.**

_A Multicenter, Randomized, Parallel Group, Comparative Trial to Evaluate the Efficacy of Experimental Nicotine Gum versus Nicotine Gum on Relief of Cigarette Craving_
Funding Agency: Pfizer
Role: Principal Investigator

_Comparison of the Efficacy and Safety of 2 Oral Doses of Rimonabant, 5 mg/day or 20 mg/day, versus Placebo, as an Aid to Maintenance of Smoking Cessation, Sanofi-Synthelabo_
Funding Agency: Pfizer
Period of Support: February 2004 – November 2005
Role: Principal Investigator

University of Arizona: Alabama Smoke Free Families
Funding Agency: National Cancer Institute 5RO1 CA86311-03
Period of Support: August 2001 – July 2005
Role: Principal Investigator
Mapping the Natural History of Smoking and Smoking Cessation Among Pregnant Women  
Funding Agency: Robert Wood Johnson Foundation  
Role: Principal Investigator

Arizona Tobacco Cessation Training and Evaluation  
Funding Agency: Arizona Department of Health Services  
Period of Support: July 2001 – February 2002  
Role: Principal Investigator

Hispanic Adaptation of the ALA’s “Freedom from Smoking” Cessation Program  
Funding Agency: National Cancer Institute RO3 CA0865632  
Period of Support: July 2000 – June 2002  
Role: Principal Investigator

Family consultation for change-resistant smokers  
Funding Agency: National Institute in Drug Abuse  
Period of Support: September 1999 – August 2002  
Role: Co Principal Investigator

J. O’Loughlin:  
Application of brief screening tool to address parental and adolescent tobacco and electronic cigarette use in pediatric medical care  
Funding Agency: Canadian Institutes of Health Research  
Period of Support: 2022-2023  
Role: Co-Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

Genetic impact on youth vaping: extending known genetic risk factors in smoking and tobacco-related illnesses to vaping  
Funding Agency: Canadian Institutes of Health Research  
Period of Support: 2020-2021  
Role: Co Investigator

Youth and E-Cigarettes: A Knowledge Synthesis  
Funding Agency: Canadian Institutes of Health Research  
Period of Support: 2020-2021  
Role: Co Investigator

Exploring the effects of Quebec legislation “An Act to Bolster Tobacco Control” on social inequalities in smoking  
Funding Agency: Canadian Cancer Society Research Institute  
Period of Support: 2017-2019  
Role: Co Investigator

Pharmacological and social smoke exposure as differential predictors of smoking initiation in adolescents. The AdoQuest Cohort  
Funding Agency: Canadian Institutes of Health Research
American Academy of Pediatrics Tobacco Consortium
Curriculum Vitae

Period of Support: July 2009 – June 2016
Role: Co Investigator

Framing messages for teen smoking prevention in primary care.
Funding Agency: National Cancer Institute 5R03CA162839-02
Period of Support: September 2012- August 2014
Role: Co Investigator

Genetic and environmental predictors of tobacco, drug and alcohol addiction in adolescence and young adulthood—a life course twin and population approach
Funding Agency: Canadian Institutes of Health Research
Period of Support: January 2011 – December 2014
Role: Co Investigator

Interdisciplinary study of inequalities in smoking (ISIS)
Funding Agency: Canadian Institutes of Health Research
Period of Support: January 2011 – December 2015
Role: Co Principal Investigator

Evaluating the effects of legislation prohibiting smoking in private vehicles carrying children
Funding Agency: Canadian Institutes of Health Research
Period of Support: July 2012 – June 2016
Role: Principal Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

Testing clinic-based youth cessation interventions: a pilot study
Funding Agency: Canadian Cancer Society Research Institute
Period of Support: July 2012 – June 2016
Role: Co Principal Investigator

Strengthening the links between research, practice and policy to reduce the burden of smoking in youth
Funding Agency: Canadian Cancer Society Research Institute
Period of Support: November 2012 – December 2011
Role: Co Principal Investigator

Gene environment interactions in the development of cigarette smoking and obesity
Funding Agency: Cancer Research Society
Role: Co Investigator

Continuation of the Nicotine Dependence in Teens (NDIT) study to age 30
Funding Agency: Canadian Cancer Society Research Institute
Period of Support: November 2015 – October 2019
Role: Co Principal Investigator

Long-term follow-up of the NDIT cohort

Date of Last Revision: 7/1/2022
Funding Agency: National Cancer Institute of Canada  
Period of Support: July 2006 – June 2013  
Role: Principal Investigator

*Interdisciplinary Capacity Enhancement (ICE) Team Grant: Strengthening the links between research, practice, and public policy to reduce the burden of tobacco*
- Funding Agency: Canadian Tobacco Control Research Initiative  
- Period of Support: November 2004 – October 2011  
- Role: Principal Investigator

**M. Parks:**

*A Measurement Burst Study of Vaping in a National Sample of Youth*
- Funding Agency: NIDA  
- Period of Support:  
- Role: Co Investigator

**L. Pbert:**

*Vaper to Vaper: A Multimodal Mobile Peer Driven Intervention to Support Adolescents in Quitting Vaping*
- Funding Agency: NIH/NIDA  
- Period of Support: 2021-2023  
- Role: Principal Investigator

**RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.**

*Capacity Building and Technical Assistance Provider for Massachusetts Smoking Cessation Efforts*
- Funding Agency: Massachusetts Department of Public Health  
- Period of Support: 2021-2022  
- Role: Principal Investigator

**RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.**

*Stemming the Tide of Addiction to Tobacco in Massachusetts (STAT MASS)*
- Funding Agency: Residual Funds from Class Action Settlement with Philip Morris  
- Period of Support: 2017 - present  
- Role: Principal Investigator

*Patient Navigation and Financial Incentives to Promote Smoking Cessation*
- Funding Agency: American Cancer Society  
- Period of Support: January 2014 - December 2018  
- Role: Co Principal Investigator

*Developing a Smartphone App with Mindfulness Training for Teen Smoking Cessation*
- Funding Agency: National Institute of Health/National Institute of Drug Abuse R01 AT008393  
- Period of Support: January 2014 - December 2017  
- Role: Co Principal Investigator

*School-Based Waterpipe Smoking Cessation Intervention Program among Jordanian Adolescents*
Funding Agency: American University of Beirut Research Grant
Period of Support: January 2015- December 2016
Role: Co Principal Investigator

School Nurse-delivered Smoking Cessation Intervention
Funding Agency: National Institute of Health /National Cancer Institute
Period of Support: January 2006- December 2011
Role: Principal Investigator

Adolescent Smoking Cessation in Pediatric Primary Care
Funding Agency: National Institute of Health /National Cancer Institute
Period of Support: January 2010- December 2015
Role: Principal Investigator

An Open-label, Multicenter Study with Follow-up Evaluating the Safety and Efficacy of Varenicline Tartrate in Comparison to Transdermal Nicotine Patch for Smoking Cessation
Funding Agency: Pfizer
Period of Support: January 2005- December 2006
Role: Principal Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

A Twelve-Week, Double-Blind, Placebo-Controlled, Randomized, Multi-center Study with Follow-up Evaluating the Safety and Efficacy of Varenicline Tartrate (CP-526,555) in Comparison to Zyban® for Smoking Cessation
Funding Agency: Pfizer
Period of Support: December 2000- December 2005
Role: Principal Investigator

Policy to Support Tobacco Treatment in Health Care
Funding Agency: National Institute of Health /National Cancer Institute R01 CA86282
Period of Support: January 2000- December 2005
Role: Principal Investigator

Provider and Peer Delivered Youth Smoking Intervention
Funding Agency: National Institute of Health /National Cancer Institute R01 CA80254
Period of Support: January 1999- December 2004
Role: Principal Investigator

J. Prochaska:

ASPIRE: Advancing Science & Practice in the Retail Environment
Funding Agency: National Cancer Institute
Period of Support: May 2018 – April 2023
Role: Co-Principal Investigator
American Academy of Pediatrics Tobacco Consortium
Curriculum Vitae

Enhancement of the Stanford Cancer Institute Tobacco Treatment Service
Funding Agency: National Cancer Institute
Period of Support: June 2020 – May 2022
Role: Program Co-Lead

Integrating Tobacco Cessation Treatment within the Stanford Cancer Center
Funding Agency: National Cancer Institute
Period of Support: June 2018 – May 2021
Role: Program Co-Lead

Social Media Intervention to Promote Smoking Treatment Utilization and Cessation Among Alaska Native Smokers
Funding Agency: National Institute on Drug Abuse
Period of Support: September 2017 – March 2021
Role: Site Principal Investigator

Retail Environment for Tobacco and Marijuana in California Impact on College Student Use
Funding Agency: National Cancer Institute
Period of Support: September 2017 – August 2021
Role: Co-Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

Social Media Technology for Treating Tobacco Addiction
Funding Agency: NIH/NCI
Period of Support: March 2016 – February 2021
Role: Principal Investigator

R. Salloum:

Comparative Effectiveness of Mobile Health Smoking Cessation Approaches among Underserved Patients in Primary Care
Funding Agency: PCORI
Period of Support: April 2022 – September 2027
Role: Principal Investigator

Project SMART: Social Media Anti-vaping Messages to Reduce ENDS Use Among Sexual and Gender Minority Teens
Funding Agency: NIH/NIDa
Period of Support: July 2021 – June 2026
Role: Co-Investigator (Site PI)

Prevention of Vaping and Tobacco Product Use Among Rural Youth in Florida
Funding Agency: Aetna Foundation
Period of Support: March 2020 – May 2022
Role: Principal Investigator

Clinically-Efficient Strategies to Address Tobacco Smoke Exposure in Pediatric Practice
Funding Agency: Florida Department of Health
Period of Support: September 2019 – August 2022
Role: Principal Investigator

Date of Last Revision: 7/1/2022
Eastern Mediterranean Consortium on the Economics of Waterpipe Tobacco Smoking (ECON-WTS): Capacity Building and Knowledge Translation
  Funding Agency: International Development Research Centre
  Period of Support: September 2018 – July 2022
  Role: Principal Investigator

A Preference-Based Decision Aid for Tobacco Prevention in Adolescent Primary Care
  Funding Agency: University of Florida Clinical and Translational Science Institute
  Period of Support: July 2016 – June 2018
  Role: Principal Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

Waterpipe Tobacco Smoking among University Students: Testing Policy and Prevention Tools using a Discrete Choice Experiment
  Funding Agency: International Development Research Centre (Canada)
  Period of Support: January 2015 – January 2017
  Role: Site Principal Investigator

Waterpipe Tobacco Smoking among University Students in the UAE: Understanding Behavior, Psychological Correlates, and the Effects of Health Warnings
  Funding Agency: Al-Jalila Foundation
  Period of Support: January 2015 – December 2016
  Role: Co-Principal Investigator

Waterpipe Tobacco Smoking among College Students: Understanding Attitudes and Intentions using a Discrete Choice Experiment
  Funding Agency: University of South Carolina Office of Research
  Period of Support: May 2014 – September 2015
  Role: Principal Investigator

M. Sylvestre:

Application of a brief digital screening tool to address parental and adolescent tobacco and electronic cigarette use in pediatric medical care
  Funding Agency: CIHR Project Grant. Equity in Cancer Prevention and Control Priority Area
  Period of Support: 2022
  Role: Co Investigator

Genetic impact on youth vaping: extending known genetic risk factors in smoking and tobacco-related illnesses to vaping
  Funding Agency: CIHR Catalyst Grant
  Period of Support: 2020
Role: Co Investigator

S. Tanski:

Sensors for Detection and Quantification Of Secondhand Tobacco Smoke Exposure
Funding Agency: National Cancer Institute R01 CA105203
Period of Support: September 2004 - July 2010
Role: Co Principal Investigator

Messages for Motivation and Support for Behavior Changes in Parent Smoking
Funding Agency: National Cancer Institute R01 CA93969
Period of Support: August 2002- December 2009
Role: Principal Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

Visual Media Influences on Adolescent Smoking Behavior
Funding Agency: National Cancer Institute R01 CA69425
Period of Support: February 1999-April 2008
Role: Principal Investigator

Reducing All Children’s Exposure to Secondhand Smoke (ERACE SS)
Funding Agency: Duke University Comprehensive Cancer Center R21CA90716
Period of Support: March 2003- February 2005
Role: Principal Investigator

Characteristics of Smoking Parents: The Impact on Child Health and Health Care Utilization
Funding Agency: George and Barbara Bush Endowment for Innovative Cancer Research
Period of Support: May 2003-April 2004
Role: Principal Investigator

A. Villanti:

Impact of Nicotine Messaging on Nicotine Beliefs and Tobacco Use Behavior
Funding Agency: NIDA
Period of Support: June 2020- May 2023
Role: Principal Investigator

Perceptions and Problems Associated with Vaping in Youth and Young Adults
Funding Agency: NIDA
Period of Support: April 2020- March 2022
Role: Principal Investigator

Optimizing Hookah Tobacco Public Education Messages to Reduce Young Adult Use
Funding Agency: NCI
Period of Support: February 1999-April 2008May 2018 – April 2022
Role: Co-Investigator
Addiction and Behavior Related to Menthol Cigarette Substitutes
Funding Agency: NIDA
Period of Support: September 2018 – August 2021
Role: Principal Investigator

Improving Smoking Cessation in Socioeconomically-Disadvantaged Young Adults
Funding Agency: NIH/NIGMS 4P20GM103644-04
Period of Support: March 2017 – July 2018
Role: Project Director

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

Improving Smoking Cessation in Socioeconomically-Disadvantaged Young Adults
Funding Agency: NIH/NCI 1R03CA212694-01A1
Period of Support: September 2017 – August 2018
Role: Principal Investigator

Examining Social Influences on Young Adult Smoking and Cessation Trajectories
Funding Agency: National Cancer Institute R03CA187756
Period of Support: August 2014 – July 2017
Role: Principal Investigator

Population Assessment of Tobacco and Health, National Longitudinal Survey of Tobacco Use
Funding Agency: National Institute on Drug Abuse/ Federal Drug Administration
Period of Support: September 2011 – April 2017
Role: Co Principal Investigator

Harvesting Global Learning on Electronic Nicotine Delivery Systems to Inform U.S. Research, Surveillance, and Policy
Funding Agency: Robert Wood Johnson Foundation
Period of Support: October 2014 – March 2016
Role: Co Principal Investigator

S. Walley:

Youth tobacco Prevention Program – and Renewal Years2-6
Funding Agency: Alabama Department of Public Health
Period of Support: January 2016 – September 2021
Role: Principal Investigator

Tobacco-Free Generation Campus Initiative Grant
Funding Agency: American Cancer Society
Period of Support: November 2019 – April 2021
Role: Principal Investigator

Date of Last Revision: 7/1/2022
Improving Patient Access to Tobacco Dependence Treatment During a Hospitalization Across the UAB/COA Campus
  Funding Agency: University of Alabama at Birmingham/ Alabama Department of Public Health Youth Tobacco Prevention
  Period of Support: November 2016-Spring 2017
  Role: Co Principal Investigator

**RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.**

Smoking Cessation Counseling: A Simulation Enhanced Curriculum to Improve Communication Skills in Pediatrics
  Funding Agency: University of Alabama of Birmingham Department of Pediatrics Founder's Fund
  Period of Support: October 2016-September 2017
  Role: Co Principal Investigator

Tobacco Use and Initiation Among Middle and High School Students in Birmingham
  Funding Agency: Alabama Department of Public Health Youth Tobacco Prevention Program.
  Role: Co Principal Investigator

Smoking Cessation Counseling: A Simulation Enhanced Curriculum to Improve Communication Skills in Pediatrics
  Funding Agency: University of Alabama of Birmingham Department of Pediatrics Founder's Fund
  Period of Support: January 2014- December 2015
  Role: Co Principal Investigator

K. Wilson:

Assessment of Biomarkers in Children to Help Parents Quit Tobacco
  Funding Agency: NCI
  Period of Support: October 2020 – March 2025
  Role: Co Investigator

Smoking and COVID study
  Funding Agency: NCI
  Period of Support: June 2020 – January 2021
  Role: Site Principal Investigator

Studying the impact of tobacco smoke exposure on the pediatric microbiome
  Funding Agency: AAP Julius B. Richmond Center of Excellence
  Period of Support: July 2016- June 2021
  Role: Principal Investigator

Intervening with smoking parents of inpatients to reduce exposure (INSPIRE)
  Funding Agency: National Cancer Institute R01CA181207-01A1

Date of Last Revision: 7/1/2022
American Academy of Pediatrics Tobacco Consortium
Curriculum Vitae

Period of Support: April 2014- February 2019
Role: Principal Investigator

Colorado Health Observation Regional Data Sharing (CHORDS)
Funding Agency: Colorado Department of Public Health and the Environment
Period of Support: February 2013- June 2016
Role: Co Principal Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

Expanding One Step to reduce pediatric secondhand smoke in Colorado
Funding Agency: Colorado Department of Public Health and the Environment
Period of Support: October 2012- July 2015
Role: Co Principal Investigator

Respiratory Illness and Secondhand Smoke Exposure in Kids (RISSK)
Funding Agency: AAP Julius B. Richmond Center of Excellence (RCE)
Period of Support: July 2011-June 15
Role: Principal Investigator

Leading the Rochester site activities for the Richmond Center
Funding Agency: AAP Julius B. Richmond Center of Excellence (RCE)
Period of Support: June 2009-June 2011
Role: Principal Investigator

Investigating the link between second hand tobacco smoke and inflammation in children
Funding Agency: Strong Children's Research Center Grant
Period of Support: July 2008- June 2009
Role: Principal Investigator

Reducing second hand tobacco smoke exposure through inpatient interventions
Funding Agency: AAP/Julius Richmond Center of Excellence
Period of Support: July 2007- June 2009
Role: Principal Investigator

J. Winickoff:

Bupropion for the prevention of postpartum smoking relapse
Funding Agency: NCI
Period of Support: July 2019- June 2024
Role: Co Investigator

Electronic Pediatric Office Systems to Support Treatment for Parental Tobacco Use
Funding Agency: NCI
Period of Support: January 2020 - December 2024
Role: Co Principal Investigator

Date of Last Revision: 7/1/2022
Assessment of Biomarkers in Children to Help Parents Quit Tobacco
Funding Agency: NCI
Period of Support: October 2020 – March 2025
Role: Principal Investigator

RESEARCH STUDIES LED BY TOBACCO CONSORTIUM MEMBERS CONT.

Health outcomes and health care spending among residents of smoke-free public housing
Funding Agency: NHLB
Period of Support: July 2017- April 2022
Role: Co Investigator

Several projects within this program project grant seeking to help eliminate secondhand smoke exposure of children
Funding Agency: Flight Attendant Medical Research Institute
Period of Support: July 2016- June 2021
Role: Co Principal Investigator

Changing Pediatric Office Systems Nationally to Address Parental Tobacco Use
Funding Agency: NCI/NIDA/Agency for Healthcare Research and Quality 2R01-CA127127-06
Period of Support: August 2012- July 2017
Role: Principal Investigator

Addressing Parental Smoking by Changing Pediatric Office Systems
Funding Agency: Flight Attendant Medical Research Institute
Period of Support: January 2008- December 2012
Role: Co Principal Investigator

Secondhand smoke counseling for parents of hospitalized pediatric patients
Funding Agency: Flight Attendant Medical Research Institute
Period of Support: January 2007- December 2011
Role: Principal Investigator

Work on several projects within this program project grant seeking to help eliminate secondhand smoke exposure of children
Funding Agency: Flight Attendant Medical Research Institute
Period of Support: January 2006 - December 2011
Role: Principal Investigator

Dissemination of the CEASE program in North Carolina
Funding Agency: American Legacy Foundation
Period of Support: January 2006- December 2007
Role: Co Principal Investigator

NEWS—Newborn’s Smoke-Free Start, Robert Wood Johnson Foundation
Winickoff

TOBACCO RELATED LEADERSHIP ACTIVITIES

1. Allen, Clinical Research Director, Society for Research on Nicotine and Tobacco University, 2019 to present
2. Boykan, Tobacco Cessation in Clinical Practice Work Group Member, 2015-2016
3. Boykan, Faculty Panel, AAP Julius B. Richmond Center of Excellence, 2016 – Present
4. Boykan, AAP Section on Tobacco Control Executive Committee, 2017 -Present
5. Camenga, AAP “Addressing Youth E-Cigarette Use through Pediatrician-Community Partnerships” Initiative, 2019-Present
6. Chu, Co-Chair, Society of Behavioral Medicine, Tobacco Control and Nicotine-related behavior Topic Area
7. Groner, Education Chair, AAP Section on Tobacco Control, 2012-2016
8. Halpern-Felsher, Founder; Executive Director, Stanford University School of Medicine Tobacco Prevention Toolkit, 2016-Present
9. Halpern-Felsher, Founder; Executive Director, Vaping Information, solutions, and Interventions Toolkit, 2021-Present
10. Jenssen, AAP Section on Tobacco Control Executive Committee, 2012 -Present
11. Klein, Chair, AAP Tobacco Consortium, 2001-2005
12. Klein, Institute of Medicine Committee Member, Health Implications of Raising the Minimum Age for Purchasing Tobacco, 2014 -2015
13. Klein, Thirdhand Smoke, Dissemination, Outreach, and Resource Center Policy Advisory Council; San Diego State and USC, 2019
14. Mahabee-Gittems, Fellow, Society for Research on Nicotine & Tobacco, 2020
15. Pbert, AAP, Expert Faculty Member, “Addressing Youth E-cigarette Use through Pediatrician-Community Partnerships”, 2019-present
16. Tanski, Co-Chair, Ambulatory Pediatric Association Tobacco Special Interest Group, 2005-2008
17. Tanski, Chair, AAP Tobacco Consortium, 2010-2016
18. Villanti, Co-Chair, Policy Research Network, Society for Research on Nicotine and Tobacco, 2015-Present
20. Walley, Executive Committee Chair, AAP Section on Tobacco Control, 2018- Present
21. Wilson, Co-Chair, AAP Section on Tobacco Control, 2011-2016
22. Wilson, Co-Chair, Tobacco Special Interest Group (CIGSIG), 2008-20011
3) Chair, AAP Tobacco Consortium 2017- Present
23. Wilson, Chair, AAP Tobacco Consortium, 2017- Present
24. Winickoff, Chair, AAP Tobacco Consortium, 2005-2010
TOBACCO RELATED HONORS/AWARDS

1. Boykan, AAP Julius B. Richmond Center of Excellence, AAP/FAMRI New Investigator Grant, 2012-2013
2. Halpern-Felsher, Clinical Science Research Award, Department of Pediatrics, Stanford University, 2021-Present
3. Jenssen, AAP Julius B. Richmond Center of Excellence, AAP/FAMRI New Investigator Grant, 2016-2017
4. Kopp, AAP Julius B. Richmond Center of Excellence, AAP/FAMRI New Investigator Grant, 2014
5. McMillen, Mississippi Public Health Association Community Service Award, presented to the Tobacco Control Unit of the MSU Social Science Research Center, 2019
6. Pbert, Selected by the National Cancer Institute as an NCI Research-tested Intervention Program (RTIPs) (http://rtips.cancer.gov/rtips/index.doc): Adolescent Smoking Prevention and Cessation Intervention Program for Pediatric Practice (R01 CA80254), 2012
8. Pbert, Global Award for “Anti-Smoking Kit” for the Air It Out study in recognition of outstanding achievement in the Global International Healthcare Communications Competition; developed in conjunction with Keiler & Company, Farmington, Connecticut, 2001
9. Villanti, Jarvik-Russell Young Investigator Award, Society for Research on Nicotine and Tobacco, 2018
10. Walley, AAP Julius B. Richmond Center of Excellence, AAP/FAMRI New Investigator Grant, 2012
11. Wilson, Young Investigator Travel Award, Society for Research on Nicotine and Tobacco, March 2012
12. Wilson, Young Investigator Travel Award, Society for Research on Nicotine and Tobacco, February 2010
13. Wilson, AAP Julius B. Richmond Center of Excellence, AAP/FAMRI New Investigator Grant, 2008
