BRIGHT FUTURES HANDOUT ► PARENT 11 THROUGH 14 YEAR VISITS

Here are some suggestions from Bright Futures experts that may be of value to your family.

HOW YOUR FAMILY IS DOING

- Encourage your child to be part of family decisions. Give your child the chance to make more of her own decisions as she grows older.
- Encourage your child to think through problems with your support.
- Help your child find activities she is really interested in, besides schoolwork.
- Help your child find and try activities that help others.
- Help your child deal with conflict.
- Help your child figure out nonviolent ways to handle anger or fear.
- If you are worried about your living or food situation, talk with us. Community agencies and programs such as SNAP can also provide information and assistance.

YOUR CHILD'S FEELINGS

- Find ways to spend time with your child.
- If you are concerned that your child is sad, depressed, nervous, irritable, hopeless, or angry, let us know.
- Talk with your child about how his body is changing during puberty.
- If you have questions about your child's sexual development, you can always talk with us.

YOUR GROWING AND CHANGING CHILD

- Help your child get to the dentist twice a year.
- Give your child a fluoride supplement if the dentist recommends it.
- Encourage your child to brush her teeth twice a day and floss once a day.
- Praise your child when she does something well, not just when she looks good.
- Support a healthy body weight and help your child be a healthy eater.
 - Provide healthy foods.
 - Eat together as a family.
 - Be a role model.
- Help your child get enough calcium with low-fat or fat-free milk, low-fat yogurt, and cheese.
- Encourage your child to get at least 1 hour of physical activity every day. Make sure she uses helmets and other safety gear.
- Consider making a family media use plan. Make rules for media use and balance your child's time for physical activities and other activities.
- Check in with your child's teacher about grades. Attend back-to-school events, parent-teacher conferences, and other school activities if possible.
- Talk with your child as she takes over responsibility for schoolwork.
- · Help your child with organizing time, if she needs it.
- Encourage daily reading.

) HI

HEALTHY BEHAVIOR CHOICES

- Help your child find fun, safe things to do.
- Make sure your child knows how you feel about alcohol and drug use.
- Know your child's friends and their parents. Be aware of where your child is and what he is doing at all times.
- Lock your liquor in a cabinet.
- Store prescription medications in a locked cabinet.
- Talk with your child about relationships, sex, and values.
- If you are uncomfortable talking about puberty or sexual pressures with your child, please ask us or others you trust for reliable information that can help.
- Use clear and consistent rules and discipline with your child.
- Be a role model.

Helpful Resource: Family Media Use Plan: www.healthychildren.org/MediaUsePlan

11 THROUGH 14 YEAR VISITS—PARENT

SAFETY

- Make sure everyone always wears a lap and shoulder seat belt in the car.
- Provide a properly fitting helmet and safety gear for biking, skating, in-line skating, skiing, snowmobiling, and horseback riding.
- Use a hat, sun protection clothing, and sunscreen with SPF of 15 or higher on her exposed skin. Limit time outside when the sun is strongest (11:00 am-3:00 pm).
- Don't allow your child to ride ATVs.
- Make sure your child knows how to get help if she feels unsafe.
- If it is necessary to keep a gun in your home, store it unloaded and locked with the ammunition locked separately from the gun.

BRIGHT FUTURES HANDOUT ► PATIENT 11 THROUGH 14 YEAR VISITS

Bright Futures...

Here are some suggestions from Bright Futures experts that may be of value to you and your family.

()

HOW YOU ARE DOING

- Enjoy spending time with your family. Look for ways to help out at home.
- Follow your family's rules.
- Try to be responsible for your schoolwork.
- If you need help getting organized, ask your parents or teachers.
- Try to read every day.
- Find activities you are really interested in, such as sports or theater.
- Find activities that help others.
- · Figure out ways to deal with stress in ways that work for you.
- Don't smoke, vape, use drugs, or drink alcohol. Talk with us if you are worried about alcohol or drug use in your family.
- Always talk through problems and never use violence.
- If you get angry with someone, try to walk away.

HEALTHY BEHAVIOR CHOICES

- Find fun, safe things to do.
- Talk with your parents about alcohol and drug use.
- Say "No!" to drugs, alcohol, cigarettes and e-cigarettes, and sex.
 Saying "No!" is OK.
- Don't share your prescription medicines; don't use other people's medicines.
- Choose friends who support your decision not to use tobacco, alcohol, or drugs.
 Support friends who choose not to use.
- Healthy dating relationships are built on respect, concern, and doing things both of you like to do.
- Talk with your parents about relationships, sex, and values.
- Talk with your parents or another adult you trust about puberty and sexual pressures. Have a plan for how you will handle risky situations.

\checkmark

YOUR GROWING AND CHANGING BODY

- Brush your teeth twice a day and floss once a day.
- Visit the dentist twice a year.
- Wear a mouth guard when playing sports.
- Be a healthy eater. It helps you do well in school and sports.
 - Have vegetables, fruits, lean protein, and whole grains at meals and snacks.
 - Limit fatty, sugary, salty foods that are low in nutrients, such as candy, chips, and ice cream.
 - Eat when you're hungry. Stop when you feel satisfied.
 - Eat with your family often.
 - Eat breakfast.
- Choose water instead of soda or sports drinks.
- Aim for at least 1 hour of physical activity every day.
- Get enough sleep.

YOUR FEELINGS

- Be proud of yourself when you do something good.
- It's OK to have up-and-down moods, but if you feel sad most of the time, let us know so we can help you.
- It's important for you to have accurate information about sexuality, your physical development, and your sexual feelings toward the opposite or same sex. Ask us if you have any questions.

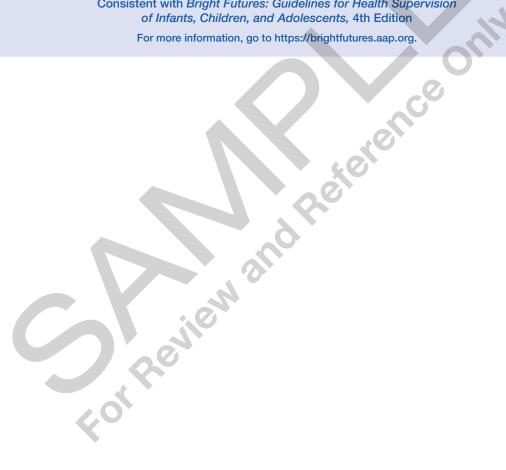

11 THROUGH 14 YEAR VISITS—PATIENT

STAYING SAFE

- Always wear your lap and shoulder seat belt.
- Wear protective gear, including helmets, for playing sports, biking, skating, skiing, and skateboarding.
- Always wear a life jacket when you do water sports.
- Always use sunscreen and a hat when you're outside. Try not to be outside for too long between 11:00 am and 3:00 pm, when it's easy to get a sunburn.
- Don't ride ATVs.
- Don't ride in a car with someone who has used alcohol or drugs. Call your parents or another trusted adult if you are feeling unsafe.
- Fighting and carrying weapons can be dangerous. Talk with your parents, teachers, or doctor about how to avoid these situations.
