Accreditation and Designation Statements

The American Academy of Pediatrics is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

- AAP designates this Other (Internet Live & Internet Enduring) Activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
- This activity is acceptable for a maximum of 1.0 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.
- PAs may claim a maximum of 1.0 Category 1 credits for completing this activity. NCCPA accepts AMA PRA Category 1 Credit(s)TM from organizations accredited by the ACCME or a recognized state medical society.

MOC Statement:

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to 1.0 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

If you do not successfully complete all components of the activity and evaluation assessment ABP MOC Part 2 Points will not be awarded.

Please note: your completion data will be shared with the ABP through the ACCME PARS system within 30 days of successful completion. This will include the name of the activity and provider; participant name; participant's ABP ID number; participant's DOB; date of completion of the activity; the PARS activity identifier; ABP MOC Part 2 credit statement and number of MOC points awarded. If any questions or concerns please contact the activity manager storres@aap.org.

Purpose of Course

This webinar will help explain the current prevalence and incidence of eating disorders, identifying populations that are underdiagnosed and will introduce developmental and medical risks associated with eating disorders.

Learning Objectives

After completing this course, you should be able to:

1. Explain the current prevalence and incidence of eating disorders.
2. Identify populations that are underdiagnosed and those that are at risk for a missed or delayed diagnosis, including the role of diagnosis bias.
3. Describe the spectrum of eating disorder behaviors and how medical complications directly relate to these behaviors.

Disclosure of Commercial Support for AAP CME Activities

The AAP gratefully acknowledges grant support for The Eating Disorders in Children and Adolescents Webinar from the Centers for Disease Control (CDC), supported by the Award Number: 6 NU38OT000282-05-04 and the Unique Federal Award Identification Number (FAIN): NU38OT000282.

Disclosure of Financial Relationships and Mitigation of Conflicts of Interest for AAP CME Activities Grid

The AAP recognizes that there are a variety of financial relationships between individuals and ineligible companies that require review to identify possible conflicts of interest in a CME activity. The "AAP Policy on Disclosure of Financial Relationships and Mitigation of Conflicts of Interest for AAP CME Activities" is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and mitigating all potential conflicts of interest prior to the confirmation of service of those in a position to influence and/or control CME content. AAP has taken steps to mitigate any potential conflicts of interest. The purpose of this policy is to ensure all potential conflicts of interest are identified and mechanisms to mitigate them prior to the CME activity are implemented in ways that are consistent with the public good. The AAP is committed to providing learners with commercially unbiased CME activities.

All AAP CME activities will strictly adhere to the *Accreditation Council for Continuing Medical Education (ACCME) Standards for Integrity and Independence in Accredited Continuing Education*. In accordance with these Standards, the following decisions will be made free of the control of an ineligible company: identification of CME needs, determination of educational objectives, selection and presentation of content, selection of all persons and organizations that will be in a position to control the content, selection of educational methods, and evaluation of the CME activity.

DISCLOSURE OF FINANCIAL RELATIONSHIPS

All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. An ineligible company is defined as any entity whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients*. Listed below are the disclosures provided by individuals in a position to influence and/or control CME activity content. **All of the relevant financial relationships listed for these individuals have been mitigated.** *This activity may discuss or demonstrate pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.*
