

*Every Child Deserves
a Medical Home*

Think about who is part of your medical home – the doctors and nurses you see when you go for a check-up or when you're sick.

- ☀ What do you like best about them?
- ☀ What do you like about the office?

Is there anyone else who is part of your "Medical Home"?

**EVERY CHILD DESERVES A
MEDICAL HOME**

National Center for Medical Home Implementation

A cooperative agreement between the Maternal and Child Health Bureau/HRSA and the American Academy of Pediatrics
