TOBACCO COMPANIES

Below is a list of tobacco companies and their affiliates. This list represents the most reliable information the Section on Nicotine & Tobacco Prevention and Treatment could prepare, but it does not represent that this list is complete or accurate. There may be tobacco companies and affiliates that are not on the list so the applicant's disclosures should not be limited to names on the list. If you know of errors on the list, please let us know.

Researchers and organizations that receive money from tobacco companies and affiliates for scientific research and/or review:

Center for Indoor Air Research*
The Council for Tobacco Research USA, Inc.*
Life Science Research Office
The Tobacco Industry Research Committee*
