Healthy Tomorrows Partnership for Children
Sustaining Community-Based Innovations

The **Healthy Tomorrows Partnership for Children Program (HTPCP)** promotes maternal and child health (MCH) in innovative community-based programs that improve access to care and reduce health care costs through health promotion, prevention, and early intervention.

**INVESTMENT**

- **325** Healthy Tomorrows projects have been funded in
- **49** states
- **2** territories
- **$80 million** distributed over **33 years**

Primary funding streams
- **34%** Federal dollars
- **66%** Matching dollars

**REACH**

- **1,788,678** individuals served (2010–2020)
  - **27%** from racially underrepresented groups
  - **74%** from ethnically underrepresented groups

Primary areas of intervention
- Mental/behavioral health
- Healthy weight promotion (nutrition and physical activity)
- Adolescent health
- Child development/school readiness
- Asthma prevention/treatment/education

Types of organizations funded by HTPCP
- **27.5%** Nonprofit agencies
- **5%** Health departments
- **17.5%** Universities
- **25%** Hospitals
- **25%** Federally qualified health centers

**IMPACT**

- **83%** Improved children’s access to care
- **81%** Enhanced recognition of child health issues
- **77%** Enhanced cultural competency of services
- **74%** Enhanced visibility of organization
- **71%** Enhanced family participation in services

Grantee outcomes

**SUSTAINABILITY**

Sustainability rates
- Federal funding period (1–5 years)
  - **Year 1**: **93%**
  - **Year 5+**: **91%**

HTPCP funding sources

- **52%** Sponsoring organization (clinic, hospital, university, etc.)
- **44%** Government funding (federal, state, local)
- **32%** Foundation/United Way
- **20%** Local funding (business/corporation, community fundraising)

Top sustainability factors

- **75%** Strong institutional commitment (buy-in)
- **69%** Strong community partnerships
- **68%** Early planning for sustainability
- **54%** Used evaluation data to leverage funding
- **52%** Worked continuously to ensure funding
