

# Envisioning NEXT GENERATION PEDIATRICS

## An Evolution of the Family-Centered Medical Home

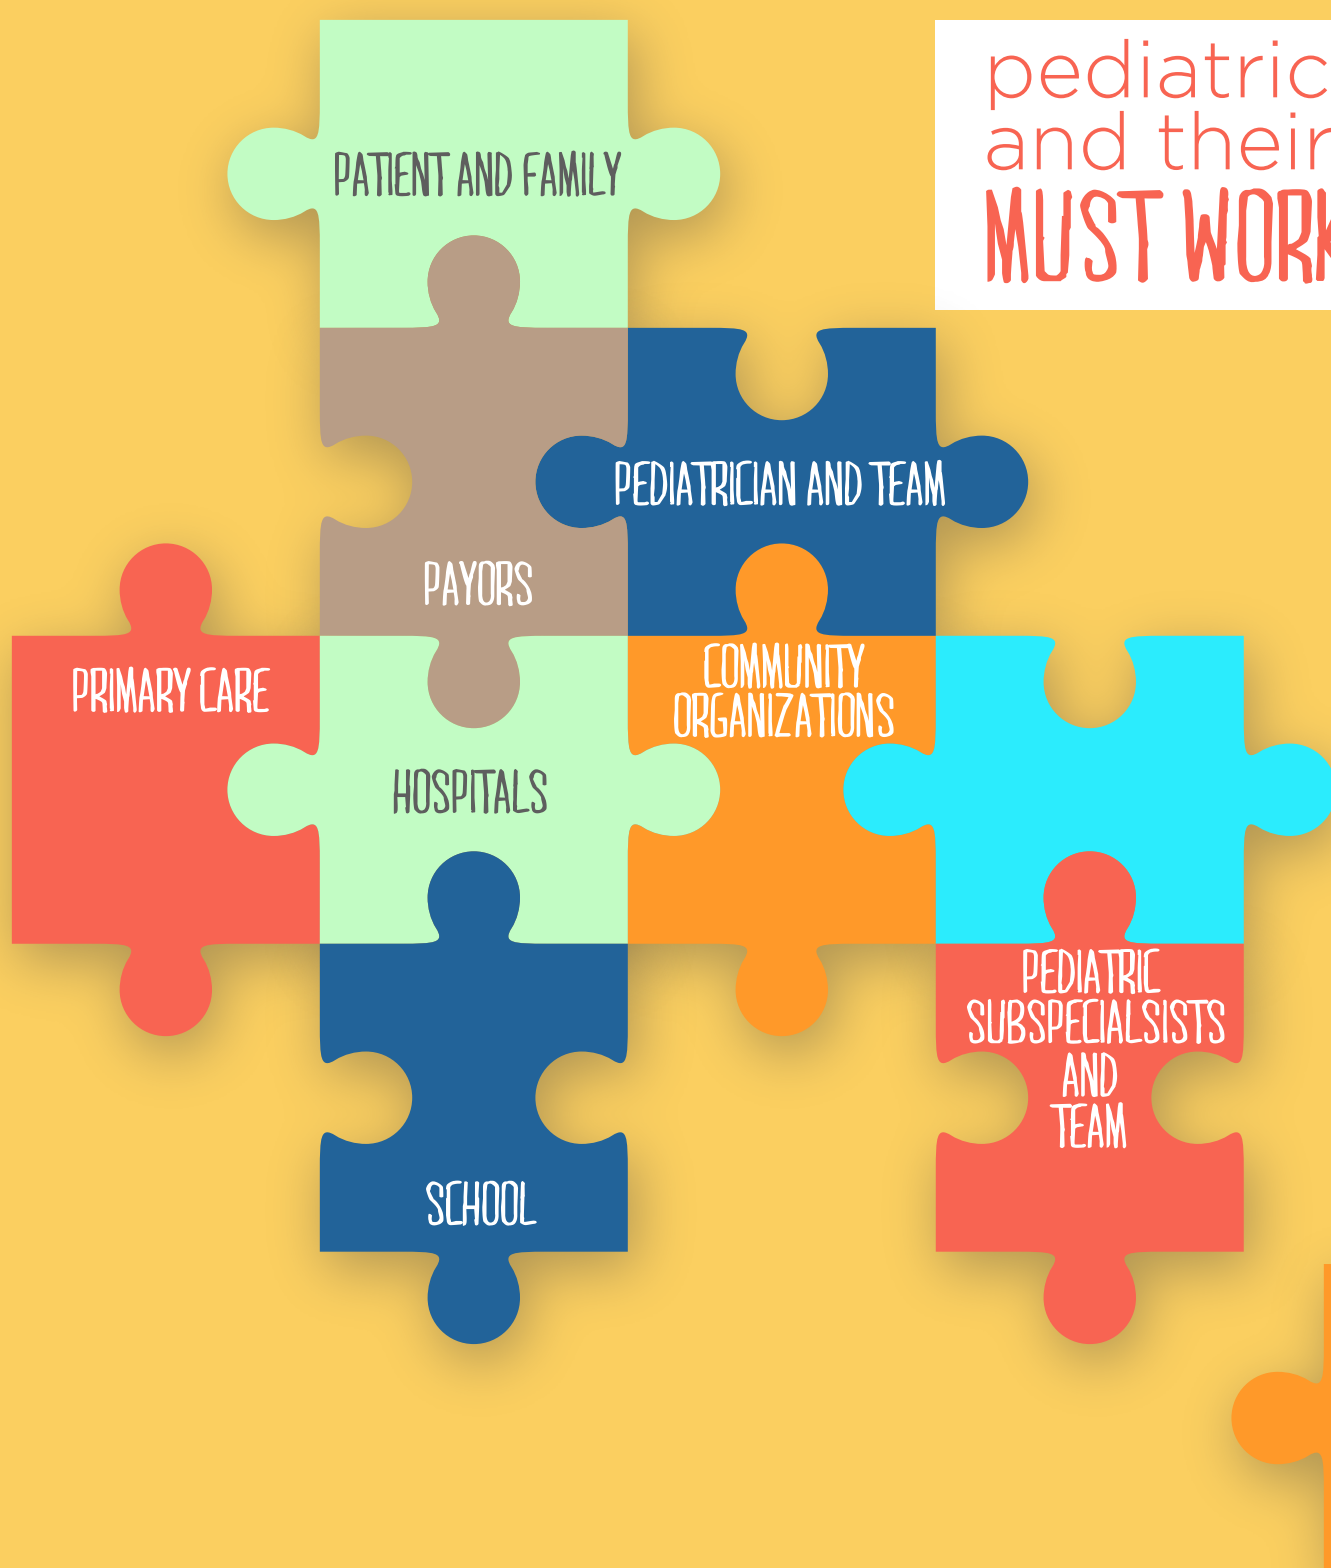

### THE HEALTHCARE ENVIRONMENT IS CHANGING AT A RAPID PACE.

What can pediatricians and other pediatric clinicians do to address the unique needs and issues of children?

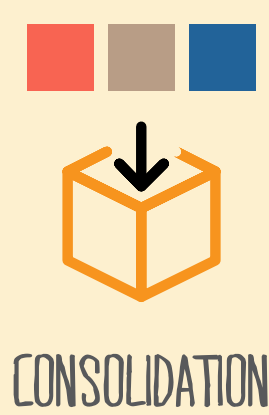

How can pediatricians and other pediatric clinicians provide the best care for children and families while evolving to respond to the changes in healthcare?

## RESPONDING TO CHANGE

To meet the demands of the **changing healthcare environment...**

pediatric healthcare systems and their partners **MUST WORK TOGETHER.**
