

International Meeting on Indigenous Child Health

March 24-26, 2023

Start time: 8:30am End Time: 12:00pm CST

Attendees: Prior to the start of the activity, please review the below information to ensure successful participation in this Live Activity

Activity Location: Hyatt Regency Tulsa Downtown
100 East Second Street, Tulsa, OK, 74103, United States

Accreditation and Designation Statements

- The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
- The AAP designates this live activity for a maximum of 10.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
- This activity is acceptable for a maximum of 10.00 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.
- PAs may claim a maximum of 10.00 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society.
- This program is accredited for 10.00 NAPNAP CE contact hours of which 0 contain pharmacology (Rx), (0 related to psychopharmacology) (0 related to controlled substances), content per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.
- The AAFP has reviewed 10th International Meeting on Indigenous Child Health and deemed it acceptable for up to 10.00 Live AAFP Prescribed credits. Term of Approval is from 03/24/2023 to 03/26/2023. Physicians should claim only the credit commensurate with the extent of their participation in the activity. AAFP Prescribed credit is accepted by the American Medical Association as equivalent to *AMA PRA Category 1 credit(s)™* toward the AMA Physician's Recognition Award. When applying for the AMA PRA, Prescribed credit earned must be reported as Prescribed, not as Category 1.
- This event has been approved by the Canadian Paediatric Society for a maximum of 10.0 credit hours as an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.
- College of Family Physicians of Canada (CFPC) members may claim up to 50 certified credits per cycle for participation in RCPSC MOC Section 1 accredited activities. The maximum does not apply to CFPC Affiliate members.
- In support of improving patient care, this activity has been planned and implemented by the American Academy of Pediatrics and IHS Clinical Support Center. The IHS Clinical Support Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team. This activity is designated up to 10.0 contact hours for nurses.

Purpose of Course

The International Meeting on Indigenous Child Health (IMICH) brings together pediatric health care providers, researchers, public health professionals, advocates, youth, community leaders and elders to learn about pressing health issues, share model programs and research findings, and acquire practical skills that can be applied across a variety of settings. IMICH is a unique forum for multisectoral knowledge exchange for those committed to achieving health equity for Indigenous children, youth and communities. Sessions cover a range of topics including clinical care and research, emerging health issues, public policy and health systems, social determinants of health and community programs.

Learning Objectives

At the end of the conference, participants will be able to:

- Apply new skills, insights, and knowledge about the multiple determinants of health to benefit Indigenous children, youth and communities.
- Develop multisectoral collaboration and partnerships to work towards achieving health equity for Indigenous children, youth and communities.
- Apply an enhanced understanding of culturally competent care in health interactions with Indigenous children and youth.
- Employ strategies to support the role of traditional health and healing practices in Indigenous communities.
- Identify the links between the environment and the health of Indigenous children, youth and their families/communities

Disclosure of Commercial Support for AAP CME Activities

No commercial support is associated with this CME activity.

Disclosure of Financial Relationships and Mitigation of Conflicts of Interest for AAP CME Activities Grid

The AAP recognizes that there are a variety of financial relationships between individuals and ineligible companies that require review to identify possible conflicts of interest in a CME activity. The "AAP Policy on Disclosure of Financial Relationships and Mitigation of Conflicts of Interest for AAP CME Activities" is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and mitigating all potential conflicts of interest prior to the confirmation of service of those in a position to influence and/or control CME content. AAP has taken steps to mitigate any potential conflicts of interest. The purpose of this policy is to ensure all potential conflicts of interest are identified and mechanisms to mitigate them prior to the CME activity are implemented in ways that are consistent with the public good. The AAP is committed to providing learners with commercially unbiased CME activities.

All AAP CME activities will strictly adhere to the Accreditation Council for Continuing Medical Education (ACCME) Standards for Integrity and Independence in Accredited Continuing Education. In accordance with these Standards, the following decisions will be made free of the control of an ineligible company: identification of CME needs, determination of educational objectives, selection and presentation of content, selection of all persons and organizations that will be in a position to control the content, selection of educational methods, and evaluation of the CME activity.

DISCLOSURE OF FINANCIAL RELATIONSHIPS

All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. An ineligible company is defined as any entity whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients*. Listed below are the disclosures provided by individuals in a position to influence and/or control CME activity content. **All of the relevant financial relationships listed for these individuals have been mitigated.** This activity may discuss or demonstrate pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

Name	Role	All Financial Relationships (Please indicate Yes or No)	Name of Ineligible Company* Please list name(s) of entity AND Nature of Financial Relationship(s) (Please list: Research Grant, Speaker's Bureau, Stock/Bonds excluding mutual funds, Consultant, Other - identify)

Privacy and Confidentiality Statement

At the American Academy of Pediatrics (AAP), we take the issue of privacy very seriously. We do not sell, distribute, barter, or transfer personally identifiable information obtained from a user to a third party without your consent. Any information collected on the Web site is only used for the purpose stated. The AAP list is only for important communications, and your e-mail address will not be sold or provided to third parties. You will not receive advertising or promotional materials on this list. Individual learners must provide consent in order to share contact information with ineligible companies.

The AAP may use "cookie" technology to obtain non-personal information from its online visitors. We do not extract personal information in this process nor do we provide this information to third parties. We also do not contact you based on the information in your cookie file. The AAP has taken steps to make all information received from our online visitors as secure as possible against unauthorized access and use. All information is protected by our security measures, which are periodically reviewed.

CLAIMING YOUR CREDITS AND PRINTING CERTIFICATES

Continuing Education Credits are available for Physicians, Nurses, Nurse Practitioners, Physician Assistants and Allied Health Professionals. Immediately following the live activity, all participants will receive email communication that will include a weblink to access the online conference evaluation survey. After participants complete the online evaluation survey they will be directed to the IMICH *Claim Continuing Education Credit* webpage to print a copy of their certificate. Individual or paper certificates will not be distributed to you post-activity.

For Physicians and Allied Health Professionals

Credits must be claimed within one (1) year of the CME activity's end-date.

American Academy of Pediatrics (AAP) Transcript System – For AAP Members Only

After completion of the online evaluation survey, you will be directed to the IMICH *Claim Continuing Education Credit* webpage, where you will find detailed instructions to claim credit through the American Academy of Pediatrics.

For Nursing Contact Hours

The Nursing CE Request Form (only accessible after completion of the online conference evaluation survey) must be completed and returned by **April 8, 2023**. No certificate of hours attended can be issued for nursing credit unless completed and returned. Please contact indianhealth@aap.org with any questions.
