

Caring for Children and Youth with Seizures: What Primary Care Providers Need to Know Webinar Series
Transitions to Adulthood for CSHCN: Post-Secondary/Vocational
Activity Dates: May 1, 2020 – April 30, 2023

Accreditation and Designation Statements

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this enduring material for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 1.0 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

PAs may claim a maximum of 1.0 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME or a recognized state medical society.

This program is accredited for 1.0 NAPNAP CE contact hours of which 0 contain pharmacology (Rx) content, (0 related to psychopharmacology) (0 related to controlled substances), per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

Purpose of Course

The Caring for Children and Youth with Epilepsy: What Primary Care Providers Should Know Webinar Series will aim to close the gap in knowledge and capacity in diagnosing, treating, and managing seizures and comorbidities by educating primary care providers.

Learning Objectives

After completing this webinar session, you should be able to:

1. Learn how to support parents/caregivers with CYE for the post-secondary and vocational transition process, including self-management.
2. Educate parents/caregivers with CYE about the post-secondary and vocational transition process, including self-management.

Disclosure of Commercial Support for AAP CME Activities

The AAP gratefully acknowledges financial support for this activity by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number U23MC26252, Awareness and Access to Care for Children and Youth with Epilepsy/ cooperative agreement. This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government.

Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities

The AAP CME/CPD program develops, maintains, and improves the competence, skills, and professional performance of pediatricians and pediatric healthcare professionals by providing quality, relevant, accessible, and effective educational experiences that address gaps in professional practice. The AAP CME/CPD program strives to meet the educational needs of pediatricians and pediatric healthcare professionals and support their lifelong learning with a goal of improving care for children and families. (*AAP CME/CPD Program Mission Statement, May 2015*)

The AAP recognizes that there are a variety of financial relationships between individuals and commercial interests that require review to identify possible conflicts of interest in a CME activity. The “AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities” is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest prior to the confirmation of service of those in a position to influence and/or control CME content. The AAP has taken steps to resolve any potential conflicts of interest.

All AAP CME activities will strictly adhere to the *Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support: Standards to Ensure the Independence of CME Activities*. In accordance with these Standards, the following decisions will be made free of the control of a commercial interest: identification of CME needs, determination of educational objectives, selection and presentation of content, selection of all persons and organizations that will be in a position to control the content, selection of educational methods, and evaluation of the CME activity.

The purpose of this policy is to ensure all potential conflicts of interest are identified and mechanisms to resolve them prior to the CME activity are implemented in ways that are consistent with the public good. The AAP is committed to providing learners with commercially unbiased CME activities.

DISCLOSURE OF FINANCIAL RELATIONSHIPS

All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Listed below are the disclosures provided by individuals in a position to influence and/or control CME activity content.

** A commercial interest is defined as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients.*

Name	Role	Relevant Financial Relationship (Please indicate Yes or No)	Name of Commercial Interest(s)* Please list name(s) of entity <u>AND</u> Nature of Relevant Financial Relationship(s) (Please list: Research Grant, Speaker’s Bureau, Stock/Bonds excluding mutual funds, Consultant, Other - identify)	Disclosure of Off-Label (Unapproved)/Investigational Uses of Products AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or “off-label” use of an approved device or pharmaceutical. Method of Participation, Minimum Performance Level, and Credit Claiming

Participants will participate in the webinar via an internet connection and phone line. Upon completion of the webinar, participants will complete a 22-question evaluation based on the content of the webinar. Upon submission of the evaluation, participants will be able to log onto PediaLink to claim their CME credit or receive a CME certificate via e-mail. To record your *AMA PRA Category 1 Credit(s)*[™] in the AAP transcript system, physicians need to directly access the transcript system on PediaLink[®] at www.pedialink.org, within one year of the activity end date. AAP members and PediaLink[®] subscribers may access their transcripts free of charge; non-members may choose to access their transcripts for a fee. The subscription fees are posted at www.pedialink.org. AAP Members, PediaLink[®] subscribers or non-members who want the AAP to record their credit for them must return this form and a check for \$25.00 payable to the AAP. Your credits will be recorded and a transcript sent to you. AAP Members and PediaLink[®] subscribers, please make sure to include your AAP ID number.

Name of Medium or Combination of Media Used

Live webinar course via a computer and internet connection for viewing and a phone line for audio.

List of hardware/software requirements

Our Technical Support team would like to ensure that you have a great experience with our streaming media services. Due to variations in PC and network security configurations, we recommend that you test the ability to receive streaming media before the day of this event on the computer you will be using to view the event. To do this, go to <http://zoom.us/test> and click on “Join”.

If you are unable to open the software on your device, please go to the Zoom help center (<https://support.zoom.us/hc/en-us/categories/200101697>) for additional details on how to get started or email Alexis Katzenbach at akatzenbach@aap.org

System requirements

The system requirements for viewing a streaming media event are:

Windows

- Windows XP, Windows 2003 or Windows Vista
- Display resolution of 800x600 pixels or greater
- Microsoft Internet Explorer 6.0 SP1 or later, Firefox 2.0 or later, or Google Chrome 1.0
- For Firefox and Chrome, [Silverlight](#) 1.0 or later
- Windows Media Player 9.0 or later
- Broadband Internet connection (256 Kbps & above)
- No network blocks or filters that disable streaming media

Mac

- Mac OS X 10.4.8 or later
- Safari 2.0.4 or later (or Firefox 2.0 or later)
- [Silverlight](#) 1.0
- Broadband Internet connection (256 Kbps & above)
- No network blocks or filters that disable streaming media
