

The Pediatric Emergency Medicine Resource

FIFTH EDITION

Advanced Pediatric Life Support: The Pediatric Emergency Medicine Course

Saturday, November 3, 2018

8:00 AM - 5:00 PM

Orange County Convention Center
Orlando, FL

Program features an interactive, day-long course comprised of small group discussions, hands-on skill labs, and simulation training.

Are you prepared to assess and manage a critically ill or injured child during the first hours in the emergency department or office setting?

Mark your calendars for Saturday, November 3, 2018 and plan to participate in the Advanced Pediatric Life Support: The Pediatric Emergency Medicine Course to be held in conjunction with the 2018 American Academy of Pediatrics National Conference and Exhibition.

This flexible format is designed to give the participant many options for expanded learning opportunities. Participants will learn more on the following topic areas:

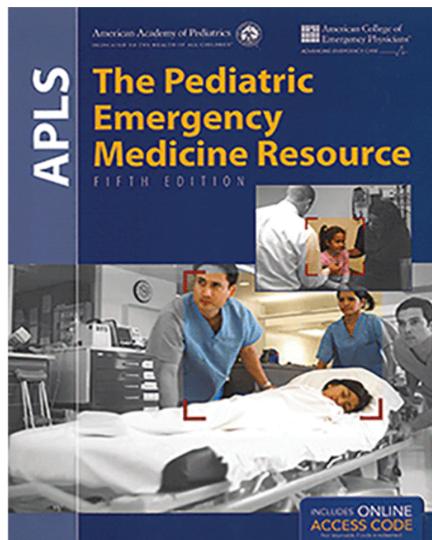

- Pediatric Assessment
- Cardiovascular
- Airway
- Central Nervous System
- Trauma
- Medical Emergencies

Pre- and post-study and testing options are available to earn additional continuing medical education (CME) online and/or earn the APLS Course Completion Card.

Course fee: \$295

Earn a minimum of
7.5 CME credits

Faculty: Efren Salinero, MD, FAAP; Marc Auerbach, MD, FAAP; Susan Fuchs, MD, FAAP; Chris Kennedy, MD, FAAP; Rick Place, MD, FAAP
