Council on Child Abuse & Neglect Award

---

## Call for Nominations: 2019 Award for Outstanding Service to Maltreated Children Nominations and Supporting Materials Due April 30, 2019

### [Nomination Form](#)

---

The American Academy of Pediatrics Council on Child Abuse and Neglect (CoCAN) is requesting nominations for the 2019 Award for Outstanding Service to Maltreated Children. The Award for Outstanding Service to Maltreated Children will be given to a pediatrician or pediatric subspecialist who has demonstrated outstanding clinical care and service to abused and neglected children and their families ideally at the local or regional level. The individual must be a member of the American Academy of Pediatrics.

The recipient will receive a \$500 honorarium, a plaque and specified travel expenses to attend the award presentation during the COCAN business meeting held in conjunction with the [American Academy of Pediatrics' National Conference and Exhibition](#) scheduled October 25-29, 2019 in New Orleans, LA.

---

#### **Nominations should address the following criteria:**

- Contributions to promoting access to specialized medical care for victims of child maltreatment at a state, regional or national level through outreach clinics, training, mentorships or peer review.
- Participation in child maltreatment taskforces/advocacy groups at a state, regional or national level.
- Recognition as a leader in the multi-disciplinary approach to child maltreatment issues at the state, regional or national level (MDT, death review...).
- Active participation in the education of medical and non-medical professionals from the community who are involved in the response to child maltreatment at the state, regional or national level (this would be beyond just medical student and residency lecture).

---

To nominate someone, click on the link above to complete the electronic form. Letters of support must accompany the nomination and be from a member of the nominee's AAP Chapter, be limited to two pages attest to the work completed at the local/regional level. A curriculum vitae and biosketch should also be included with the nomination. If you cannot get one, please note so and AAP staff will request a copy from the nominee. Submit all supporting materials by **April 30, 2019** to:

Bethany Mlodoch  
Project Specialist, Systems of Services for CYSHCN  
American Academy of Pediatrics  
345 Park Blvd.
