Webinar: Medical Necessity and EPSDT: Tools for Providers and Advocates

Thursday, September 20th

1 PM – 2:30 PM Eastern

Please join us for the second webinar as part of a series jointly hosted by the American Academy of Pediatrics and the Georgetown University Center for Children and Families designed to provide detailed information to the child health community about Medicaid's Early and Periodic Screening, Diagnostic and Treatment (EPSDT) benefit, the comprehensive and guaranteed benefit for all children enrolled in the Medicaid program. This activity has been approved for 1.5 *AMA PRA Category 1 Credit™*.

[Our first webinar](#) focused on the breadth and importance of EPSDT with speakers from the national, state, and provider perspectives. To dive deeper into the intricacies of ensuring that all children receive the benefits of the Medicaid program to which they are entitled, this upcoming webinar will explore the various definitions of medical necessity used by states and Medicaid Managed Care Organizations and discuss best practices to effectively navigate situations when pediatricians and families experience inappropriate limitations on medically necessary services. Participants will learn tools to successfully engage with various stakeholder groups integral to ensuring children in Medicaid receive the full scope of EPSDT benefits they need to succeed in school and in life.

Speakers include:

- Anne Markus JD, PhD, MHS – Associate Professor, Milken School of Public Health, George Washington University
- Angelo Giardino MD, MPH, PhD, FAAP – Chair of Pediatrics, University of Utah
- Greg Barabell MD, CPC, FAAP – Chief Medical Officer, Clear Bell Solutions. Former Chief Medical Officer, Select Health of South Carolina

You won't want to miss this informative, topical, and actionable webinar! [Click here](#) to register.

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
