The recommendations in this publication do not indicate an exclusive course of treatment or serve as a standard of medical care. Variations, taking into account individual circumstances, may be appropriate.

Listing of resources does not imply an endorsement by the American Academy of Pediatrics (AAP). The AAP is not responsible for the content of external resources. Information was current at the time of publication.

Products and Web sites are mentioned for informational purposes only and do not imply an endorsement by the AAP. Web site addresses are as current as possible but may change at any time.

Brand names are furnished for identification purposes only. No endorsement of the manufacturers or products mentioned is implied.

The publishers have made every effort to trace the copyright holders for borrowed materials. If they have inadvertently overlooked any, they will be pleased to make the necessary arrangements at the first opportunity.

This publication has been developed by the AAP. The contributors are expert authorities in the field of pediatrics. No commercial involvement of any kind has been solicited or accepted in development of the content of this publication.

Every effort is made to keep the *Pediatric Disaster Preparedness and Response Topical Collection* consistent with the most recent advice and information available from the AAP.
