

NRP Admin Care Program

ADMINISTRATION & LMS SERVICE

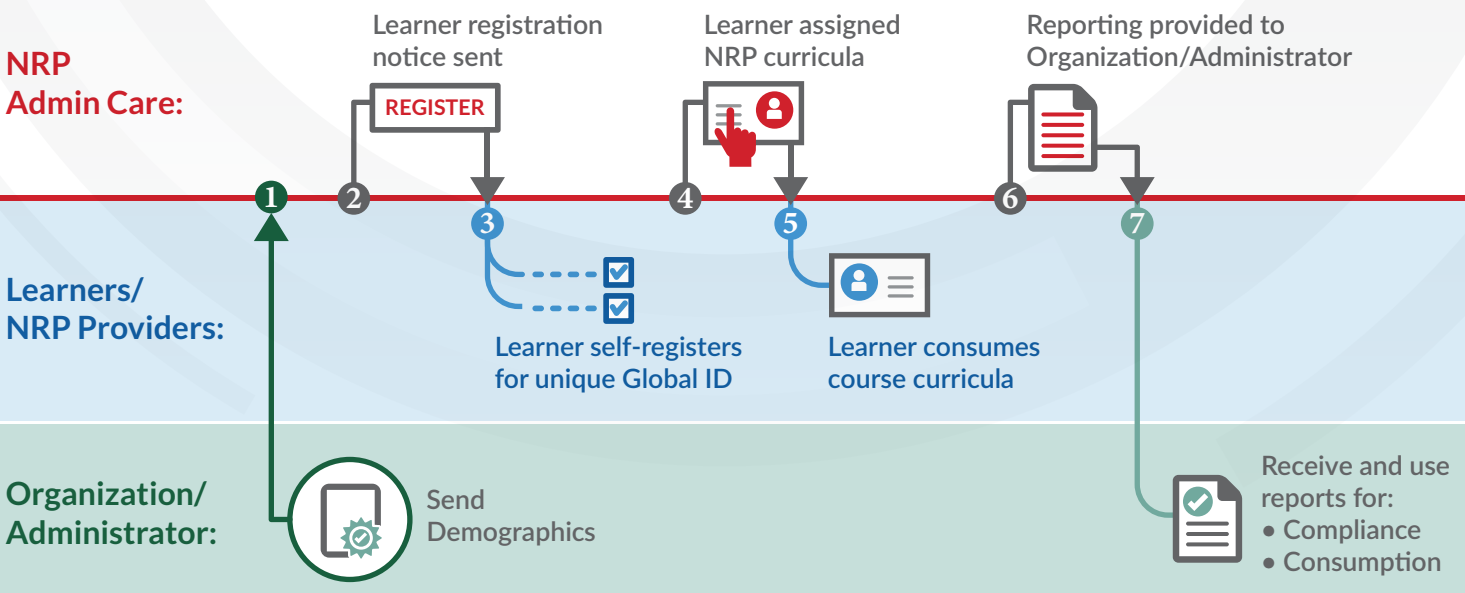

Administrators and Service Line leaders who are responsible for Neonatal Resuscitation Program® (NRP®) education and training will no longer be burdened by cumbersome administrative tasks. NRP Admin Care from RQI Partners provides the highest level of customized service to smoothly transition to 8th Edition curricula.

NRP Admin Care Services

NRP Admin Care will provide administrative services for organizations who use instructor-led provider courses with the following administrative tasks on the new NRP Learning Platform™, powered by RQI Partners:

- Learner Management
- Assignment Management
- Compliance Reporting
- Consumption Reporting
