A new Instructor Toolkit (ITK) was launched on May 4, 2020. It is available as a resource to all NRP Instructors. Follow the steps below to gain access to it.

1. Login to your NRP Instructor account through your hospital or by visiting http://www.healthstream.com/hlc/aap.

2. Complete one of the following:
   - Start the NRP Instructor Renewal Course. One of the initial course activities will prompt you to view and open the ITK. (If you do not need to enroll in the course at this time, complete one of the options below to access the ITK instead.)
   - If you are logged in under student/manager, click on the toolkit link in the Options box on the sidebar of the To Do page.
   - If you are logged in as an administrator, click on the toolkit link in the Resources widget on the Instructor Dashboard (Live Events).

   You may be prompted to create or sign in with an hStream ID prior to being redirected to the ITK.

3. Bookmark the Toolkit URL
   For easy access in the future, bookmark the ITK URL to return to it directly, without first needing to login to your HealthStream LMS account.

Get Stuck?
We can help!
