Monitor Course Progress

You will need to complete all course requirements before you are able to claim any CME & MOC credit. These requirements may include **CME attestation, course modules/sessions, pre/post assessments**, and **course evaluation**. You can monitor your progress by viewing the Course Completion Status window found at either the bottom of the home page or along the right side of the course window (depending on the type of course). Click on the More Details link to view the list of modules and their complete status.
Clicking on the more details link takes you to the Completion Progress Details page, where you can view the completion status of each course module, along with any pre/post exams and evaluations.
You can also monitor your course progress by going to the Claim Credit page. If all the course requirements have been met, the **Claim Credit** button will appear. Click on it to be taken to the **Activities and Credit Management** page in your account.

---

Claim Credit Instructions

Once you have completed the requirements for claiming CME credit, links to claim your credit(s) via the AAP Transcript will be available below.

If you have any issues obtaining your credit, please use the AAP Transcript tool to [submit a discrepancy to the AAP Accreditation unit](https://www.aap.org/en/my-account/education/activities-credit-management/7q=60579).

All video modules must be completed before CME credit claiming becomes available. Review your course progress to see your completion status using the button below:

MOC Credit Claiming Instructions

Instructions for obtaining and claiming MOC Part 2 credit for this activity are available on the [MOC Assessment page](https://www.aap.org/moc).
Claiming CME

From the Activities and Credit Management page, you will see a list of activities that are eligible to claim. To claim the CME credit, locate the activity and click on the Claim CME button.

You will then be able to enter the number of credits you would like to claim. After verifying the details, click the Confirm Claiming button to process the claim.
If the claim process goes through, you will see a message that confirms the successful submission.
Claiming MOC

Usually there is a post assessment requirement in every course that needs to be completed before you can claim MOC credit.

Once all the MOC requirements have been completed, navigate to the Activities and Credit Management page in the My Account section of AAP.org. Once there, you’ll see a list of activities that are eligible to claim. To claim the MOC credit, locate the activity and click the Submit MOC Credit button.
On the **Claim MOC Credit** screen, enter the necessary information (name, ABP number, etc.) and click the **Submit for MOC Credit** button to process the claim. If the claim process goes through, you will see a message that confirms the successful submission.

If you have any further questions, please contact **Member and Customer Care** at 866-843-2271 or email us at **mcc@aap.org**
