1. Click on the View This Issue button to access the table of contents
2. You can navigate to the issue you would like to view using the issue selector menus on the top.

3. Once you are on the issue you are looking for, you can browse the table of contents and click on the name of the article to view the article contents.
4. If you are not logged into your account or do not have a corresponding subscription to access certain content, you will see a notification. A cart icon will also appear next to the article title if there is an option to purchase.
5. To verify that you are logged in, you can check your login status on the top right. If it says login, you would need to use the Individual login option.

6. Once you are logged in, you will see the indicator of My Account and your account profile. If your account has a corresponding subscription, a circle with checkmark will appear, indicating that full access is available.
7. You may view the contents in different ways using the view options menu, as well as other functions like sharing through various platforms.

8. To return back to the table of contents for the issue, you can click on the link for the Issue detail on the left hand rail.

If these steps were used to correct an issue but the issue persists, please contact Member and Customer Care at 800.433.9016 or email us at mcc@aap.org for further assistance.
