Pediatric Care Online users can access from anywhere by affiliating their AAP ID Number to their Institution’s subscription. Please follow the steps below to set up your remote access to Pediatric Care Online.

**Note:** These steps must be performed from a workstation within your Institution that currently has access to Red Book Online.

Institution name at top of the page indicates you are on a workstation with access to Pediatric Care Online.

**Access Pediatric Care Online Remotely**

1. Go to the Pediatric Care Online Home Page at [https://publications.aap.org/pediatriccare](https://publications.aap.org/pediatriccare)
2. Click on the **Login** link and select Individual Login.
3. Sign in using your Individual AAP Login and Password. (If you do not have one click here to create one)

4. To confirm that your account is synced to the organization subscription, you will see the Institution name appear as well as your Individual account details when you are logged into your account.

5. After you have completed this process, use your AAP ID and password to access the full content of Pediatric Care Online and all of its features from any location that has access to the internet.

If these steps were used to correct an issue but the issue persists, please contact the Member and Customer Care at 800.433.9016 or email us at mcc@aap.org
