1. To view a listing of available sessions, click the link for Sessions on either the left side or top of the activity page.
2. For live sessions, you will be able to access on the date and time it is scheduled.
3. Sessions that are past the live scheduled time will be moved to the Past Sessions area. The session details and materials will still be accessible, but the link to join the presentation will no longer appear.
4. Sessions that are scheduled for future date will appear in the Upcoming Sessions area. The session details and materials will be accessible, but the link to join the presentation will not be available until the actual date of the presentation.
5. On-Demand Sessions are Pre-recorded and will be available to access at any time during the scheduled event window.
