

PEDIATRICS®

***Pediatrics* Editor for History Feature**

The editor for the history feature is responsible for soliciting and editing submissions for this section of *Pediatrics*, working closely with the Associate Editor for Features.

Responsibilities

- Solicit manuscripts on history of medicine topics.
- Maintain confidentiality of all manuscripts in the prepublication phase
- Adhere to production/publication schedules.
- Attend the *Pediatrics* editorial board meeting held during the AAP National Conference and Exhibition and the virtual spring meeting.
-

Qualifications

- Board certified pediatrician
- Fellow in good standing of the American Academy of Pediatrics
- A minimum of 10 years of experience in child health
- Interest and expertise in the field of the history of medicine
- Assistant professor, associate professor, or professor
- Editorial experience preferred
- No conflict of interest with another medical publication. Features editors may not serve as an editor at any level of any other medical publication but may serve as reviewers.
