

Rural Pediatric ECHO Learning Collaborative

Do you host ECHOs targeting rural healthcare providers or focus on rural pediatric populations?

[Join our Rural Pediatric ECHO Learning Collaborative!](#)

The AAP National Rural Adolescent & Child Health (NRACH)
Rural Pediatric ECHO Learning Collaborative:

- Brings together individuals who currently lead pediatric ECHOs targeting rural healthcare providers or those who are interested in learning more about starting a pediatric ECHO for rural providers.
- Shares best practices and works through challenges of running ECHOs.

For more information, email us at nrach@aap.org

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$475,000 with 100% funded by HRSA/HHS.

The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA/HHS, or the U.S. Government.
