ATTRIBUTION

National Resource Center for Patient/Family-Centered Medical Home

The National Resource Center for Patient/Family-Centered Medical Home is supported by the Health Resources and Services Administration (HRSA) of the US Department of Health and Human Services (HHS) as part of an award totaling \$4,100,000 with no funding from nongovernmental sources. The information or content are those of the author(s) and do not necessarily represent the official views of, nor are an endorsement, by HRSA, HHS, or the US Government.

DISCLOSURES

- Faculty have no relevant financial relationships with the manufacturers(s) of any commercial products(s) and/or provider of commercial services discussed in this activity.
- Faculty do not intend to discuss an unapproved/investigative use of a commercial product/device in their presentations.
- The views presented in this panel do not necessarily represent the views and opinions of the AAP.

LAND ACKNOWLEDGEMENT

We acknowledge the land in Itasca, Illinois, upon which the AAP Headquarters is located, is the original homelands of the Kickapoo, Peoria, Kaskaskia, Potawatomi, Myaamia, Ho-Chunk, Winnebago and Očhéthi Šakówinj tribal nations. As we work to highlight how the patient/family-centered medical home team and school-based health care teams can partner and collaborate for provision of care for CYSHCN we should actively give voice to and solicit experience from Indigenous communities and all marginalized communities to inform our collective efforts to meaningfully, equitably, sustainably, and effectively address the needs of families from all historically marginalized communities.

POST PANEL EVALUATION SURVEY

- An evaluation survey will be shared with participations via email
- Your participation will help us when developing future educational opportunities
- Takes no more than 5 minutes to complete
