PRACTICAL PEDIATRICS CME COURSES

Designed for pediatricians, family physicians, nurse practitioners, and physician assistants caring for children, Practical Pediatrics CME Courses feature nationally prominent faculty presenting topics that highlight current issues in pediatrics. Each course combines lectures, interactive seminars, and question-and-answer sessions to allow you the opportunity to interact directly with faculty in solving the problems you encounter in everyday practice.

OBJECTIVES

By attending a Practical Pediatrics CME Course, you will:

- Update your knowledge of clinical issues by reviewing hot topics and recent practical advances for your office.
- Increase your ability to diagnose and manage patients in your practice by analyzing and discussing cases with the faculty and your peers.

WHY YOU SHOULD ATTEND A PRACTICAL PEDIATRICS CME COURSE

- Weekend courses with half-day sessions combine CPD with relaxation and recreation at great destinations.
- Top-quality education and an opportunity to talk directly with expert faculty provide current and practical pediatric information to take back to your office and use right away.
- Interactive, case-based sessions offer expert guidance about situations you encounter in practice.
- Hot-topic discussions cover the latest in pediatric medicine.
- Earn MOC Part 2 Points.

Registrants who attend an entire Practical Pediatrics CME Course can earn 17 MOC Part 2 Points by successfully completing online pre- and post-course self-assessment tests. Instructions will be provided to registrants by e-mail approximately two weeks before each course begins.

CONCURRENT SEMINAR SELECTION

You can attend one concurrent seminar each day in the subspecialty of your choice. To allow more informal interaction with the faculty, attendance in each seminar is limited and is offered on a first-come, first-served basis. Confirmation of your concurrent seminar registrations will be included in your on-site registration packet. See a complete list of concurrent seminars for each course at shop.aap.org/live-activities.

ELECTRONIC COURSE SYLLABUS

The syllabus for all 2019 Practical Pediatrics CME Courses will be available to all attendees online for download in advance of the course. If you would like to receive a printed copy of the syllabus, it can be ordered for \$50 by the course's early bird deadline and will be available for pick up at the AAP course registration desk. A limited number of syllabi will be available for purchase on-site for \$75, but availability cannot be guaranteed. Electrical power for laptop and tablet use will not be available for full-time use by each course attendee throughout the educational sessions. A limited number of power outlets will be available for brief recharging of laptops and tablets during the courses.

REGISTRATION

Using your Visa, MasterCard, American Express, or Discover card, you can register online at shop.aap.org/live-activities, or call toll-free 866/843-2271. Outside the United States and Canada, call 630-626-6000, option 3. Please have your credit card and concurrent session selections ready prior to calling. If your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly.

Onsite registrants are welcome if space is available. Availability of course materials cannot be guaranteed for these registrants, however, until after the course.

Registration cancellations for each course must be received in writing at least two weeks prior to the course's start date to receive a refund. An administrative fee of \$50 will be deducted.

IMPORTANT INFORMATION

The AAP is sensitive to the special needs of its attendees. Please indicate any special needs on your registration form (e.g. breastfeeding accommodations, dietary restrictions, physical disabilities).

Lodging and meals, other than specified, are not included in the registration fee. Educational sessions, food, and beverages provided during the course are intended for registered attendees only.

To ensure an optimal learning environment for all, participants are requested to eliminate any distractions and noises during educational sessions that may disturb other registrants.

To accommodate as many course participants as possible, registrants will be permitted to reserve no more than two rooms in the AAP's hotel room block. If rooms remain available in the AAP room block three weeks prior to the start of the course, registrants may reserve additional rooms as needed.

Registration cancellations for each course must be received in writing (at registration@aap.org) at least two weeks prior to the course's start date to receive a refund. An administrative fee of \$50 will be deducted.

SPECIAL NEEDS

The AAP is sensitive to the special needs of its attendees. Please indicate any special needs on your registration form (e.g. breastfeeding accommodations, dietary restrictions, physical disabilities).

FACULTY, SCHEDULE CHANGES, AND TIMELY UPDATES

Faculty and schedule information included in this brochure is accurate as of September 2018. Faculty and schedules are subject to change to accommodate emergent situations. Visit shop.aap.org/live-activities for faculty and schedule changes as well as other important updates.

CONTINUING MEDICAL EDUCATION CREDIT

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates each of these live activities for a maximum of 17.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is approved for 17.0 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program. All approved activities must be completed by the MOC Credit Approval End Date. All deadlines and MOC point values should be confirmed by checking the ABP Activity Catalog within each physician's ABP Portfolio. Consult your ABP portfolio at www.abp.org for details about your specific certification requirements. For questions about how to access this activity, contact MOCPortfolio@aap.org.

Each of these activities is acceptable for a maximum of 17.25 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME. Physician assistants may receive a maximum of 17.25 hours of Category 1 credit for completing this program.

Each of these courses is approved for 17.00 AAFP Prescribed credits.

Each of these programs is accredited for 17.25 NAPNAP CE contact hours; pharmacology (Rx), psychopharmacology, and controlled substance contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

EARN MOC PART 2 POINTS.

The pre- and post-course self-assessments are a bonus for registered course attendees to enhance their learning experience at these courses and provide 17 ABP MOC Part 2 points in addition to the CME credit earned by attending the course.

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. For more details on the MOC Part 2 points associated with Practical Pediatrics CME Courses, please visit shop.aap.org/live-activities.

DISCLOSURE OF FINANCIAL RELATIONSHIPS AND RESOLUTION OF CONFLICTS OF INTEREST

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities.
