

Register for the 2021 Virtual AAP Advocacy Conference!

Registration is open for the virtual 2021 AAP Advocacy Conference - formerly named the Legislative Conference - which will take place **April 11 - 13, 2021**.

Join us for this year's virtual conference and learn how to become a strong voice for children! Participants will hear from distinguished guest speakers, attend advocacy skills-building workshops, and learn about timely policy issues impacting children, families, and pediatricians.

On the final day of the conference, participants will attend **virtual meetings with their congressional offices** and others from their state to discuss a timely child health issue.

Throughout the conference curriculum, participants will learn about the power of the pediatrician voice and what it means to be an effective child health advocate.
