2016
Workshop on Perinatal Practice Strategies

Sponsored by the American Academy of Pediatrics (AAP) and the AAP Section on Neonatal-Perinatal Medicine.

The Self-Assessment portion of this course is approved through the AAP MOC Portfolio Program for 10 points by the American Board of Pediatrics for MOC Part 2.

Sav e $150 with the Early Bird Deadline!

Register by March 8, 2016
See page 2 for details.

PURPOSE AND OBJECTIVES
The Workshop on Perinatal Practice Strategies seeks to:

• empower leadership
• provide a forum for networking
• guide change
• encourage quality
• promote advocacy

YOU SHOULD ATTEND THE WORKSHOP IF YOU ARE A(N):

• Neonatologist, medical director, program director, division chief, or department chair
• Neonatal-perinatal medicine trainee
• Advanced practitioner
• Any pediatric professional who cares for the fetus and newborn

BY PARTICIPATING IN THIS LIVE CME ACTIVITY, YOU WILL BE BETTER ABLE TO:

• Demonstrate effective leadership skills such as effectively leading change, resolving conflict and motivating others in his/her practice setting to optimize team performance
• Create a professional network to enhance career development
• Recognize strategies based on Evidence Based Medicine principles for interpreting and integrating published research for application in making changes in clinical practice
• Explain basic quality improvement methodologies, identify opportunities for improvement, and apply evidence-based change

CONTINUING MEDICAL EDUCATION CREDIT
The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 19 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 19 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 19 hours of Category 1 credit for completing this program.

This program is accredited for 19 NAPNAP CE contact hours; pharmacology (Rx), psychopharmacology, and controlled substance contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

SAVE $150 WITH EARLY BIRD RATES! Register by March 8, 2016.

REGISTRATION
Using your Visa, MasterCard, American Express, or Discover, you can register online at shop.aap.org/wpps2016, or call toll-free 866/843-2271. Outside the United States and Canada, call 847/434-4000, option 3.

Please have your credit card and concurrent session selections ready prior to calling. If your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly.

Lodging and meals, other than specified, are not included in the registration fee. Educational sessions, food, and beverages provided during the course are intended for registered attendees only.

On-site registrants are welcome if space is available. Availability of course materials cannot be guaranteed for these registrants, however, until after the course.

EXPANDED EMPHASIS ON LEADERSHIP – EVERYONE, EVERYWHERE, ALL THE TIME

Neonatologists, even those who are not in formal leadership positions, must have leadership skills to provide care as part of a medical team. Organizations, from local hospitals to state and national bodies such as the AAP Section on Neonatal-Perinatal Medicine and the AAP, also need skilled leadership. These skills are not typically a point of emphasis during training or at medical conferences. A major goal of this workshop will be to provide a variety of opportunities for attendees to enhance their leadership skills, thereby assuring that we continue a strong tradition of leadership in our profession.

FEATURED SPEAKER

L. Joseph Butterfield Lecture

The Molecular Era of Lung Biology: Lessons from Newborn Infants

Jeffrey A. Whitsett, MD

Dr. Jeffrey A. Whitsett received his medical degree from Columbia University, in New York, and has been a faculty member at Cincinnati Children’s Hospital Medical Center since 1977. He is internationally known for his research in developmental pulmonary biology, as well as clinical expertise in neonatology. Dr. Whitsett has made a series of groundbreaking contributions in pulmonary medicine, including major pioneering work on surfactant proteins A, B, C and D, clarifying their roles in lung development. He has been a leader in making surfactant protein replacement routine for treating respiratory distress syndrome in premature infants. His laboratory has contributed to the identification of a number of genes critical for lung formation and function. Dr. Whitsett is a member of the Institute of Medicine, National Academy of Sciences and has received many prestigious awards, including a National Institutes of Health (NIH) Merit Award, the first Julius Comroe Lectureship in Pulmonary Research from FASEB, the Daniel Drake Medal for scientific contributions from the University of Cincinnati College of Medicine, the International Arvo Ylppö Medal from the Finnish Foundation for Pediatric Research and the Grand Hamdan International Award on Neonatal Medicine from the United Arab Emirates. In 2015, he received the Virginia Apgar Award from the American Academy of Pediatric’s Section on Neonatal-Perinatal Medicine.

SPECIAL CODING SEMINAR

This seminar is designed to instruct neonatologists about CPT codes and how they are used in daily practice. Application of codes to various patient conditions and situations will be explored using audience response system (ARS) technology. Discussion will include recommendations from the audience on the needs and limitations of the current codes. Please indicate on your registration form if you would like to participate in this optional educational opportunity.

EXTENDED CODING SEMINAR FOR CODING AND BILLING PROFESSIONALS

Please join Drs. Ed Liechty and David Kanter from the Section on Neonatal-Perinatal Medicine Coding Trainers Committee immediately after lunch on Friday for an afternoon discussion exclusively devoted to issues and concerns relevant to your practices, such as:

- Role of diagnostic coding for hospital reimbursement: APR-DRGs
- ICD-10 and CPT updates relevant to Neonatologists
- Role of Hospital Care vs. Well-Baby care coding in normal newborn nursery
- Focus on copy functionality in hospital-based EHR
- Unique coding scenarios when transferring patients: to lesser levels of care; to other groups; to other hospitals
- Delivery room coding: attendance and procedures
- Transport coding: supervision and attendance
- Intensive vs. Critical care coding in NICU
- Working with nurse practitioners
- Using physician documentation to support proper coding

Acknowledgments

The AAP gratefully acknowledges support for the 2016 Workshop on Perinatal Practice Strategies in the form of an educational grant from Mead Johnson Nutrition.

The AAP gratefully acknowledges support for the Welcome Reception from Abbott Nutrition. The AAP gratefully acknowledges support for Saturday’s Luncheon from Mead Johnson Nutrition.
S01 CODING SEMINAR (OPTIONAL)
Additional Registration Fee: See Page 2
7:00-8:00AM  Registration/Continental Breakfast for Coding Seminar Participants
7:30-10:00AM  Coding Seminar
Stephen A. Pearlman, MD, MSHQS FAAP
Richard A. Molteni, MD, FAAP
Gilbert I. Martin, MD, FAAP
Section on Neonatal-Perinatal Medicine Coding Trainers Committee
This 4 1/2 hour session will update the audience on changes in neonatal coding practices, using didactic presentations and clinical scenarios. There will be time for questions and discussion with audience participation.

10:00-10:15AM  Break
10:15AM-12:15PM  Coding Seminar (continued)
12:15PM  Boxed Lunch for Coding Seminar Participants
1:00-3:00PM  S02 Extended Coding Seminar for Coding and Billing Professionals* (*Please note: This session is not designated for CME credit.)
Please join Drs. Ed Liechty and David Kanter from the Section on Neonatal-Perinatal Medicine Coding Committee Trainers immediately after lunch for an afternoon discussion exclusively devoted to issues and concerns relevant to your practices.

WORKSHOP EDUCATIONAL SESSIONS
7:00AM-5:45PM  AAP Registration Desk Open
1:00-1:10PM  Welcome and Introduction
Howard Kilbride, MD, FAAP, Course Director
Renate D. Savich, MD, FAAP

*Please note: These presentations are not designated for CME credit.

Friday, April 8, 2016

1:10-2:10PM  L. Joseph Butterfield Lecture
The Molecular Era of Lung Biology: Lessons from Newborn Infants
Jeffrey A. Whitsett, MD
Joe Butterfield was an expert in coordinating the expertise and energies of his colleagues and predecessors while applying his own leadership skills to create new and effective strategies and solutions. He recognized that the neonatal intensive care unit involves the efforts of a broad, multidisciplinary team of people. He reached out to many provider health groups in taking leadership to develop systems for health care education and health care delivery, which have been important in promoting safe, effective, neonatal care. The 18th offering of this lecture will provide the background and current understanding of the developmental pulmonary biology as it relates to respiratory disorders of the newborn.

The Butterfield Lecture is supported by an endowment from Abbott Nutrition.

2:10-3:10PM  Health, Wealth and Social Integration of Former Extremely Low Birth Weight (ELBW) Infants
Saroj Saigal, MD, FAAP

2:10-3:10PM  Racial Inequity: Impact on Perinatal Health
Matthew Davis, MD, MAPP

3:10-3:30PM  Break/Visit the Exhibits

3:30-4:15PM  Advocacy for the Newborn in Washington: AAP Update
Mark Del Monte, JD

4:15-5:00PM  Question-and-Answer Session

5:00-5:15PM  Adjourn for the Day

6:15-7:15PM  Welcome Reception
Supported by Abbott Nutrition

Maximum CME Credits for Coding Seminar: 4.50
Maximum CME Credits for Friday’s Workshop Educational Sessions: 3.75
Maximum CME Credits for Friday: 8.25
Saturday, April 9, 2016

7:00-4:00 AM  AAP Registration Desk Open
7:00-8:00 AM  Continental Breakfast/Visit the Exhibits
7:00-8:00 AM  Testing and Treatment Overuse in Neonatal Care: Can Neonatologists Choose More Wisely
   John A. F. Zupancic, MD, ScD, FAAP
   Contributors: DeWayne M. Pursley, MD, MPH, FAAP
   Timmy Ho, MD, FAAP
   Dmitry Dukhovny, MD, MPH, FAAP

8:00-8:30 AM  “Neonatal-Perinatal Section at Work”*

SCHEDULE AND FACULTY
Because we are always striving to improve the quality of your educational experience, schedules are subject to change. The AAP may substitute faculty with comparable expertise on rare occasions necessitated by illness or scheduling conflicts. Please visit shop.aap.org/wpps2016 for schedule, faculty, and session updates.

DISCLOSURE OF FINANCIAL RELATIONSHIPS AND RESOLUTION OF CONFLICTS OF INTEREST
The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual’s confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve “off-label” use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of these CME activities does not necessarily reflect the views or policies of the AAP.
American Academy of Pediatrics
DEDICATED TO THE HEALTH OF ALL CHILDREN®

The AAP is an organization of 64,000 primary care pediatricians, pediatric medical subspecialists, and pediatric surgical subspecialists committed to the attainment of optimal physical, mental, and social health and well-being for all infants, children, adolescents, and young adults. For more information, visit www.aap.org.

AAP SECTION ON NEONATAL-PERINATAL MEDICINE
Founded in 1974, this AAP Section is composed of members who have a special interest in practicing in the fields associated with or related to neonatal-perinatal medicine. The Section was formed for the purpose of improving the care of newborn infants and fetuses, pregnant women and their families by providing an educational forum for the discussion of problems relating to neonatal medicine, pregnancy, and parturition.

Membership in the Section is open to Fellows and Resident Members of the AAP and approved National and Section affiliates who are actively involved in the fields associated with or related to neonatal medicine. To join the Section, call 800/433-9016, ext. 5897.

NeoReviews™
PEER-REVIEWED MONTHLY JOURNAL ARTICLES AND CME QUIZZES
• Clinical Review Articles
• Index of Suspicion in the Nursery
• Visual Diagnosis
• Legal Briefs
• Topics in Neonatal Informatics: Pulmonology, Pharmacology, Nutrition, Neurology

Find the latest and the best in neonatology in the AAP online journal NeoReviews™. Peer-reviewed content is mapped to content specifications established by the American Board of Pediatrics (ABP) as critical to competency in neonatal/perinatal medicine. Subscription includes access to over 15 years of eArchives. Visit shop.aap.org/2016-NeoReviews today to learn more.

Price:
$150  Non-Member
$124  AAP Members
$110  AAP Section on Neonatal-Perinatal Medicine Member

NEW

INTENSIVE NEONATOLOGY SELF-ASSESSMENT
Test your diagnostic acumen each month with 10 in-depth questions and critiques created and peer-reviewed by neonatology experts and mapped to the ABP content specifications for neonatal/perinatal medicine. The NeoReviewsPlus™ subscription package offers:
• 10 comprehensive self-assessment questions every month
• 12 issues of the online journal NeoReviews™

The NeoReviewsPlus Self-Assessment is approved for 20 points of MOC Part 2 credit by the American Board of Pediatrics through the MOC Portfolio Program.

Learn more at shop.aap.org/2016-NeoReviewsPlus

Price:
$265  Non-member
$221  AAP Member
$205  AAP Section on Neonatal-Perinatal Medicine Member

These activities have been approved for AMA PRA Category 1 Credit™. NeoReviewsPlus™ is supported, in part, through an educational grant from Abbott Nutrition, a division of Abbott Laboratories, Inc.

Pioneers in Neonatal/Perinatal Medicine
From the files of NeoReviews™ comes this collection of Perinatal Profiles, chosen to provide a glimpse into the lives of the “movers and shakers” in neonatal/perinatal medicine.

Price:
$39.95  Non-member
$33.95  AAP Member

HOTEL AND TRAVEL ARRANGEMENTS

DoubleTree Resort by Hilton Paradise Valley – Scottsdale
5401 North Scottsdale Road
Scottsdale, Arizona 85250-7090
www.paradisevalley.doubletree.com
Direct Phone Number: 480/947-5400
Toll-free Phone Number: 800/222-8733
Guest Fax Number: 480/946-1524

Special group rates beginning at $219 per night, plus tax, for single or double occupancy, have been negotiated at the DoubleTree Resort by Hilton Paradise Valley – Scottsdale. These rates represent substantial savings from published rates. The cutoff date for reservations at the group rate is March 11, 2016. Call the hotel directly to make your reservations and be sure to mention that you are attending the AAP Perinatal Workshop.

A limited number of guest rooms have been reserved, and they are assigned based on availability (first-come, first-served). Please be aware that the room block may be filled prior to March 11, 2016; in such a case, neither the group rate nor guest room availability can be guaranteed. The AAP, therefore, recommends that you make your reservations as early as possible.

GROUND TRANSPORTATION

The DoubleTree Resort by Hilton Paradise Valley is located approximately 12 miles from Phoenix Sky Harbor International Airport. For information on shuttle service, contact SuperShuttle at 800/258-3826 or www.supershuttle.com. Taxi service is also available.

CAR RENTAL DISCOUNTS

The AAP Travel Office is offering CME course attendees a reduced car rental rate through Hertz and Avis. Please ask your AAP Travel Agent for details. Hertz can be reached directly at 800/654-2240 or www.hertz.com. The AAP discount code is CV01570018. Avis can be reached at 800/331-1600 or www.avis.com. The AAP discount code is A628999.

PARKING

Self- and valet parking are both available at the hotel.

CHILD CARE

Please contact the hotel concierge for recommendations regarding child care services.

SPECIAL NEEDS

The AAP is sensitive to the special needs of its attendees. Please indicate any accommodations on your registration form.

Scooter and wheelchair rentals are available by contacting ScootAround, Inc., toll-free at 888/441-7575, by email at info@scootaround.com, through their website at www.scootaround.com, or by fax at 204/478-1172.

CANCELLATIONS

Cancellations must be received in writing by March 25, 2016 to receive a refund. An administrative charge of $50 will be deducted.

ONLINE SYLLABUS

The Workshop on Perinatal Practice Strategies is environmentally friendly! The syllabus for the 2016 workshop will be online only. About one week prior to the workshop, you can expect to receive an email with instructions for accessing the online syllabus. Only registered participants will have access to view all of the PowerPoint presentations, along with other useful information. If you are interested in viewing the contents of the online syllabus while in Scottsdale, we encourage you to bring a laptop computer. If you prefer to have printed handouts in front of you while at the workshop, we encourage you to print those from the online syllabus ahead of time and bring them with you. There will not be any AAP-provided printer stations at the workshop.

Note: Please include your email address on your registration form to ensure that you receive instructions for accessing the online syllabus.

EARN MOC PART 2 POINTS!

- Register to attend the 2016 Workshop on Perinatal Practice Strategies
- Complete the online, pre-course self-assessment by the deadline date
- Attend the 2016 Workshop on Perinatal Practice Strategies in Scottsdale, Arizona
- Complete the online, post-course self-assessment with a minimum passing score of 80% by the deadline date
- The pre- and post-course self-assessments are a bonus to registered course attendees to enhance the learning experience at the live activity and provide 10 ABP MOC Part 2 Points in addition to the CME credit earned by attending the course.

Note: You are not eligible to claim MOC Part 2 credit for this course-related self-assessment if you have received MOC Part 2 credit for completing the AAP’s 2012 NeoReviewsPlus Self-Assessment. All approved activities must be completed by the MOC Credit Approval End Date. All deadlines and MOC point values should be confirmed by checking the ABP Activity Catalog within each physician’s ABP Portfolio. Consult your ABP portfolio at www.abp.org for details about your specific certification requirements.

Please include your email address on your registration form to ensure that you receive instructions for accessing the MOC pre/post-tests. Contact AAP registration if you do not receive an email approximately one week prior to the course.
