- > Revised course format
- > Weekend sessions covering Antimicrobial Therapy

See inside for special weekend rate.

American Academy
of Pediatrics

DEDICATED TO THE HEALTH OF ALL CHILDREN®

WHAT IS PREP®:ID?

PREP®:ID is designed to provide infectious disease specialists with a review and update of pediatric infectious diseases and antimicrobial therapy, based on the content specifications outline developed by the American Board of Pediatrics (ABP) for the pediatric infectious diseases subspecialty. For general pediatricians, family physicians, nurse practitioners, physician assistants, and other health professionals, the course is designed to enable participants to apply updated pediatric infectious diseases and antimicrobial therapy concepts and management in their own practice settings.

This course combines a variety of learning formats including plenary talks, case-based and interactive concurrent breakout sessions, question-and-answer sessions, audience response sessions, MOC Part 2 Self-Assessment, online access to presentations of material addressing content specifications not covered during live sessions, and new this year, weekend sessions covering antimicrobial therapy (see schedule for Saturday & Sunday sessions).

YOU SHOULD ATTEND PREP®:ID IF YOU ARE:

- > Preparing to participate in the Subspecialty Certifying Examination in Pediatric Infectious Diseases or Maintenance of Certification™ (MOC), to be administered by the American Board of Pediatrics.
- > A pediatric infectious diseases specialist interested in a comprehensive review and update of pediatric infectious diseases.
- > A pediatrician, family physician, or any other health care provider interested in a unique review and update of pediatric infectious diseases that can be applied to daily practice.
- > **NEW!** A pediatrician, family physician, or any other health care provider interested in the most updated information related to antimicrobial therapy and its use in treating infections.

COURSE OBJECTIVES

By participating in this live CME activity, you will be better able to:

- > Recognize the clinical characteristics and evolution of common and uncommon pediatric infectious diseases.
- > Determine appropriate laboratory testing and interpret findings pertinent to children with infectious diseases.
- > **NEW!** Review the general principles of antimicrobial therapy.
- > Recommend evidence-based treatment plans for children with simple and complicated infectious diseases.
- > Plan the evaluation and treatment of infectious diseases in immunocompromised hosts.
- > Plan the evaluation and treatment of a child presenting with illness after international travel and/or international adoption.
- > Recognize and manage new and emerging pathogens.
- > Determine strategies for addressing vaccine issues that arise in pediatric practice.

REGISTRATION

Using your Visa, MasterCard, American Express, or Discover, you can register online at shop.aap.org/prepid2017, or call toll-free 866/843-2271. Outside the United States and Canada, call 847/434-4000, option 3.

Please have your credit card and concurrent session selections ready prior to calling. If your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly.

Educational sessions as well as food and beverages provided during the course are intended for course attendees only. Lodging and meals, other than specified, are not included in the registration fee.

Onsite registrants are welcome if space is available. However, availability of course materials cannot be guaranteed for these registrants until after the course.

Hotel & Travel Information

THE WESTIN GALLERIA DALLAS

13340 Dallas Parkway

Dallas, TX 75240

Hotel Website: www.thewestingalleriadallas.com

Direct Phone: 972/934-9494

Toll-free Reservations: 866/716-8108

Guest Fax: 972/851-2868

Special group rates beginning at \$179 per night, plus tax, for single or double occupancy, have been negotiated at The Westin Galleria Dallas. **The cutoff date for reservations at the group rate is June 27, 2017.** Call 866/716-8108 to make your reservations.

A limited number of guest rooms have been reserved, and they are assigned based on availability (first-come, first-served). Please be aware that the room block may be filled prior to June 27, 2017; in such a case, neither the group rate nor guest room availability can be guaranteed. The AAP, therefore, recommends that you make your reservations as early as possible.

CANCELLATION POLICY

Cancellations must be received by **July 6, 2017** to receive a refund. An administrative charge of \$50 will be deducted.

SPECIAL NEEDS

The AAP is sensitive to the special needs of its attendees. Please indicate any special needs accommodations on your registration form (e.g. breastfeeding accommodations, dietary restrictions, physical disabilities).

SYLLABUS

The course syllabus will be available to all attendees online for download in advance of the course at no charge. A printed copy of the syllabus can be ordered for \$150 by the course's early bird deadline and will be available for pick up onsite at the AAP course registration desk. A limited number of printed syllabi will be available for purchase onsite for \$250, but availability cannot be guaranteed.

COURSE SPONSORS

American Academy of Pediatrics

The AAP is an organization of 66,000 primary care pediatricians, pediatric medical subspecialists, and pediatric surgical subspecialists committed to the attainment of optimal physical, mental, and social health and well-being for all infants, children, adolescents, and young adults.

AAP Section on Infectious Diseases

The Section on Infectious Diseases (SOID) is dedicated to developing ideas and educational forums that will improve the care of the fetus, newborns, infants, children, adolescents and young adults impacted by infectious diseases.

For more information on the AAP or the Section on Infectious Diseases, visit www.aap.org.

Pediatric Infectious Diseases Society

The Pediatric Infectious Diseases Society (PIDS) is the world's largest professional organization of experts in the care and prevention of infectious diseases in children. PIDS membership includes leaders in clinical care, public health, academia, government, and industry who advocate for the improved health of children nationally and globally.

For more information, visit www.pids.org.

CONTINUING MEDICAL EDUCATION CREDIT

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 24.50 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 24.50 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 24.50 hours of Category 1 credit for completing this program.

This program is accredited for 24.50 NAPNAP CE contact hours; pharmacology (Rx), psychopharmacology, and controlled substance contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

EARN MOC PART 2 POINTS!

The pre- and post-course self-assessments are a bonus to registered course attendees to enhance the learning experience at the live activity and provide 20 ABP MOC Part 2 points in addition to the CME credit earned by attending the course.

For more details and requirements on the MOC Part 2 points associated with this CME course, [visit shop.aap.org/prepid2017](http://visit.shop.aap.org/prepid2017).

DISCLOSURE OF FINANCIAL RELATIONSHIPS AND RESOLUTION OF CONFLICTS OF INTEREST

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of this CME activity does not necessarily reflect the views or policies of the AAP.

SPECIAL OFFER FOR PREP:ID COURSE REGISTRANTS!

Order 2017 PREP® Infectious Diseases, Pediatrics Review and Education Program, for only \$160 if you purchase during course registration.

A savings of 39% off retail rates.*

A 1-year annual subscription to PREP® Infectious Diseases includes 6 questions a month and is approved for 20 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program.

* Limited offer good only during PREP®:ID course registration. Does not apply to renewals and previously purchased subscriptions and cannot be combined with any other offer. Discount percentage is calculated off of non-member rates. All pricing and specifications subject to change without notice.
