ONLINE SYLLABUS

The 2018 PREP®:EM Course is environmentally friendly! Syllabus materials for this course will be made available online for registered course attendees. About 1 week prior to the course, you can expect to receive an email with instructions for accessing the online syllabus materials. Only registered participants will have access to view all of the PowerPoint presentations, along with other useful information. If you are interested in viewing the contents of the online syllabus while at the course, we encourage you to download the syllabus onto your laptop computer or tablet device prior to arriving on-site. If you prefer to have printed handouts in front of you while at the course, we encourage you to print those from the online syllabus ahead of time and bring them with you. There will not be any AAP-provided printer stations at the course.

Note: Please include your email address on your registration form to ensure that you receive instructions for accessing the online syllabus. Please contact AAP registration if you do not receive an email approximately one week prior to the course.

Because the AAP understands that individuals have different learning styles, you may choose to order a printed copy of the syllabus materials, if you prefer that format. If you would like a printed copy of the syllabus, please select that option on the course registration form. Please note that an additional fee of \$100 applies.

Note: There may be printed copies of the syllabus available for purchase on-site or after the course; however, quantities will be limited. The price for a printed syllabus ordered on-site or after the course is \$250.

Electrical power for laptop and tablet use will not be available for full-time use by each course attendee throughout the educational sessions. A limited number of power outlets will be available for brief recharging of computers and tablets during the courses.

SPECIAL NEEDS

The AAP is sensitive to the special needs of its attendees. Please indicate any accommodations you may need on your registration form.

Maximum AMA PRA Category 1 Credits™ For the Course: 30.50

CONTINUING MEDICAL EDUCATION CREDIT

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 30.50 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 30.50 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 30.50 hours of Category 1 credit for completing this program.

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

This program is accredited for 30.50 NAPNAP CE contact hours; pharmacology (Rx), psychopharmacology, and controlled substance contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

This activity is approved for 10 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program. All approved activities must be completed by the MOC Credit Approval End Date. All deadlines and MOC point values should be confirmed by checking the ABP Activity Catalog within each physician's ABP Portfolio. Consult your ABP portfolio at www.abp.org for details about your specific certification requirements. For questions about how to access this activity, contact MOCPortfolio@aap.org.

EARN MOC PART 2 POINTS!

- > Register to attend the 2018 PREP®EM Course
- > Complete the online, pre-course self-assessment by the deadline date
- > Attend the 2018 PREP®EM Course in Philadelphia, PA
- > Complete the online, post-course self-assessment with a minimum passing score of 80% by the deadline date
- > The pre- and post-course self-assessments are a bonus to registered course attendees to enhance the learning experience at the live activity and provide 10 ABP MOC Part 2 Points in addition to the CME credit earned by attending the course.

DISCLOSURE OF FINANCIAL RELATIONSHIPS AND RESOLUTION OF CONFLICTS OF INTEREST

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of this CME activity does not necessarily reflect the views or policies of the AAP.
