Special group rates beginning at $219 per night, plus tax, for single or double occupancy, have been negotiated at the Hyatt Regency Phoenix. These rates represent substantial savings from published rates. The cut-off date for reservations at the group rate is January 22, 2020. Call the hotel directly to make your reservations.

A limited number of guest rooms have been reserved, and they are assigned based on availability (first-come, first-served). Please be aware that the room block may be filled prior to January 22, 2020. In such a case, neither the group rate nor guest room availability can be guaranteed. The AAP, therefore, recommends that you make your reservations as early as possible.

Registration

Using your Visa, MasterCard, American Express, or Discover Card, you can register online at shop.aap.org/adolescent2020, or call toll-free 866/843-2271, option 3. Outside the United States or Canada, call 630/626-6000, option 3. Please have your credit card ready prior to calling. If your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly.

Special Offer for Practical Care of the Adolescent
Course Registrants!

Pre-order 2020 PREP Adolescent Medicine for only $165 during course registration. This online self-assessment is geared towards lifelong learning with relevant, focused content on adolescent health and medicine. "It's helpful for getting caught up with all the latest in adolescent medicine. Great if your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly."
What is the Practical Care of the Adolescent and Young Adult Course? Care of adolescent and young adult patients requires expertise in childhood diseases that carry into adulthood, as well as the emergence of adult diseases in the pediatric patient. This course will provide attendees with a state of the art review of key conditions affecting adolescents and young adults as well as the preventive measures that are critical to improve the health and quality of life outcomes for patients in this age group.

This three and one-half day course includes practical updates in: tobacco and nicotine use, fatigue, stress management, adolescent dermatology, opioid, depression and suicide, sexually transmitted infections and trauma-informed care. The schedule allows time for attendees to take advantage of all the Phoenix area has to offer.

You should attend this course if you are:

- Primary Care Pediatrician
- Med-Peds Physician
- Family Physician
- College Health Provider
- Adolescent Medicine Specialist

Course Objectives

By participating in this live CME activity, you will be better able to:

- Identify substance use disorders and perform basic management of opioid, marijuana, tobacco and alcohol use disorders
- Diagnose common sports injuries in adolescent and young adult athletes
- Employ state of the guidelines for the management of sexually transmitted infections and contraceptive methods
- Identify and treat dermatologic issues in adolescents

Other health care professional interested in the care of adolescents & young adults

Pre-evaluation Statement

The pre- and post-course self-assessment is a bonus for registered course attendees to enhance their learning experience and provide CME MOC Part 2 points in addition to the AMA PRA Category 1 Credits™ earned by attending the course. Attendees in the breakout sessions on Hypertension and Substance Abuse may also earn ABP MOC Part 4 points, in addition to more AMA PRA Category 1 Credits™, by participating in pre- and post-course EQIPP activities built around those topic areas. These optional activities are aimed at ensuring that the breakout sessions address your learning needs at the course and assist you in implementing best practices in your office. More information about these EQIPP activities is available at shop.aap.org/equip-hypertension and shop.aap.org/equip-substance-use-screening-brief-intervention-referral-to-treatment.

Long-Acting Reversible Contraceptive (LARC) Training

A LARC (Nexplanon) training session will take place the evening before the start of the course. If you are interested in participating in this training session on Wednesday, February 19, 2020, please check the appropriate box during online registration or on your registration form. Additional information regarding this training session and registration procedures will be sent to you by email.

Cancellations and Educational Sessions

Cancellations must be received in writing to registration@aap.org by February 6, 2020 to receive a refund. An administrative fee of $50 will be deducted. Educational sessions as well as food and beverages provided during the course are intended for course attendees only. Lodging and meals, other than specified, are not included in the registration fee.

- Adolescent Gynecology Cases

AMA PRA Category 1 Credits

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AAP designates this live activity for a maximum of 24.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is approved for 24 MOC Part 2 points by the American Board of Pediatrics through the AAP MOC Portfolio Program. All points will be awarded (or must be claimed) based on the MOC enrollment date, which is the date MOC requirements were met. All deadlines and MOC point values should be confirmed by checking the AAP Activity Catalog within each physician’s ABP Portfolio. Consult your ABP portfolio at www.abp.org for details about your specific certification requirements. For questions about how to access this activity, contact MOCPortfolio@aap.org.

This activity is acceptable for a maximum of 24.25 CME credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP. PAs may claim a maximum of 24.25 CME credits for completing this activity. NCCPA accepts AMA PRA Category 1 Credits™ from organizations accredited by ACCME or a recognized state medical society.

This program is accredited for 24.25 NAPNAP CE contact hours: pharmacology (Rx), psychopharmacology, and controlled substance content. To be determined by the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines. Discussion of Confidential Relations and Mishandling of Personal Information

The American Academy of Pediatrics (AAP) accepts the ACCME policies that require learners to disclose relevant financial relationships to learners. Financial relationships are identified at the time of activity submission. According to the ACCME, relevant financial relationships exist when the provider holds a sufficient economic interest in a company, such as an equity interest of 5% or more, or clicked ownership of an equity interest of 5% or more, or clicked ownership of a company or other entity that has a financial interest in the subject matter of the educational activity. The ACCME policies also require learners to disclose relevant financial relationships to learners. Financial relationships are identified at the time of activity submission. According to the ACCME, relevant financial relationships exist when the provider holds a sufficient economic interest in a company, such as an equity interest of 5% or more, or clicked ownership of an equity interest of 5% or more, or clicked ownership of a company or other entity that has a financial interest in the subject matter of the educational activity. Hotel, Travel, & Registration Information

Hyatt Regency Phoenix
122 North 2nd Street
Phoenix, AZ 85004
Phone: 602/440-3107
Website: https://www.hyatt.com/en-US/hotel/arizona/hyatt-regency-phoenix/phxrp

Hotel reservation bookings: https://www.hyatt.com/en-US/group-booking/PHXRP/G-PED1

Special group rates beginning at $219 per night, plus tax, for single or double occupancy, have been negotiated at the Hyatt Regency Phoenix. These rates represent substantial savings from published rates.

The cutoff date for reservations at the group rate is January 22, 2020. Call the hotel directly to make your reservations.

A limited number of guest rooms have been reserved, and they are assigned based on availability (first-come, first-served). Please be aware that the room block may be filled prior to January 22, 2020; in such a case, neither the group rate nor guest room availability can be guaranteed. The AAP, therefore, recommends that you make your reservations as early as possible.

Registration

Using your Visa, MasterCard, American Express, or Discover Card, you can register online at shop.aap.org/adolescent2020, or call toll-free 866/843-2271, option 3. Outside the United States or Canada, call 630/626-6000, option 3. Please have your credit card ready prior to calling. If your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly.

CANCELLATIONS
Registration cancellations for this course must be received in writing at registration@aap.org no later than February 6, 2020 to receive a refund. An administrative fee of $50 will be deducted.

Your registration will be confirmed. Please contact the AAP Registration Area if you do not receive a confirmation within 7 days. The AAP cannot be responsible for expenses incurred by an individual who is not confirmed and for whom space is not available at this course. Costs incurred, such as airline or hotel penalties, are the responsibility of the individual. The AAP reserves the right to cancel a course due to unforeseen circumstances or to limit enrollments, should attendance exceed capacity. Course educational sessions are open only to registered attendees.
